# THROUGH OUR EYES . . .

Before our eyes have been projected noteworthy events of the year, day-to-day occurrences, and our dreams.

How many times have we seen:  
the front doors swinging with comings and goings . . .  
our science experiment fizzling out . . .  
the growing "Trojan" of benches and fountain in the patio . . .  
a dozen friends in the five minute passing period . . .  
people wrestling with the shortage of chairs in the cafeteria . . .  
a boy and girl walking hand in hand down the hall . . .  
Trojans standing and clapping to "The Blue and the White" . . .  
the bevy of cars in the parking lot, each maneuvering for a position . . .  
an overflowing stadium . . .  
anticipation on the faces of an opening night audience at a play or musical show . . .  
transformation accomplished by prom decorations . . .  
a dark and deserted hall after all the bells have rung and all the feet have shuffled out . . .  
the ever-lengthening shadows of the palms?

Each particular view existed only once, but was seen in varying and numerous ways by each of the students at Catalina.

A single die cast for each image is instantaneously captured forever in a picture or word to revive blurred memories.

Here is the 1963 Torch — Catalina "through our eyes."

# Like Mirrors, Our Eyes Reflect Images Impressing Our Memories with School Life

Reflecting and turning amidst a spectrum of scenes, our eyes have seen familiar sights this year. During the 1962-63 term, each scene in the play of school life has been in much the same chronological order and setting as in past years.

Yes, the sights were much the same, but the spectators and actors made all the difference in producing another unique year at CHS.

◆ Students are always coming and going at Catalina. They are laden with books, P.E. suits, instruments, bugs for biology, and lunches. They are happy, tired, or worried. They are Trojans.

◆ Between classes students discuss tests, homework, teachers and other students. Some unfortunate Trojans open their lockers to be engulfed by a deluge of papers and books.

◆ Early morning at CHS fills the attendance office with pupils madly trying to fill out absence excuses in triplicate before the first bell rings. Then the slips must be stamped. The day after a flu epidemic is when the stamping machine is most likely to give out.

After school loyal Trojans ♦ cheer the teams as they meet their opponents. Outdoor sports bring confetti, seasonal clothes dust and half-time shows. In doors, there are footprints on the gym floor, glints of silver and gold from the band instruments and hundreds of hands applauding simultaneously. Bouncing cheerleaders and songleaders stir spirit with yells and songs.

♦ Afternoon — and the students and teachers are again in class. Science experiments send strange odors wafting through the halls, history and problems discussions turn into debates and hand practice fills the football field with music. In English, students argue about the author's "reason for writing" and in the language laboratory someone switches the tapes and the Spanish class ends up speaking French.

At night, Catalina again ♦ comes alive to play host to many special activities. Large audiences see plays, movies and musicals. Dances range from after-game mixers to gala proms. Each time the curtain rises or the swirling skirts of dancers move in unison, images that will become memories are recorded by impressible eyes.

♦ Late afternoon finds Catalina scholars in the school library, working. At first, the students work diligently, but soon their mouths are moving faster and more often than their pencils. Then the mouths of the librarians droop slowly from smiles into frowns.

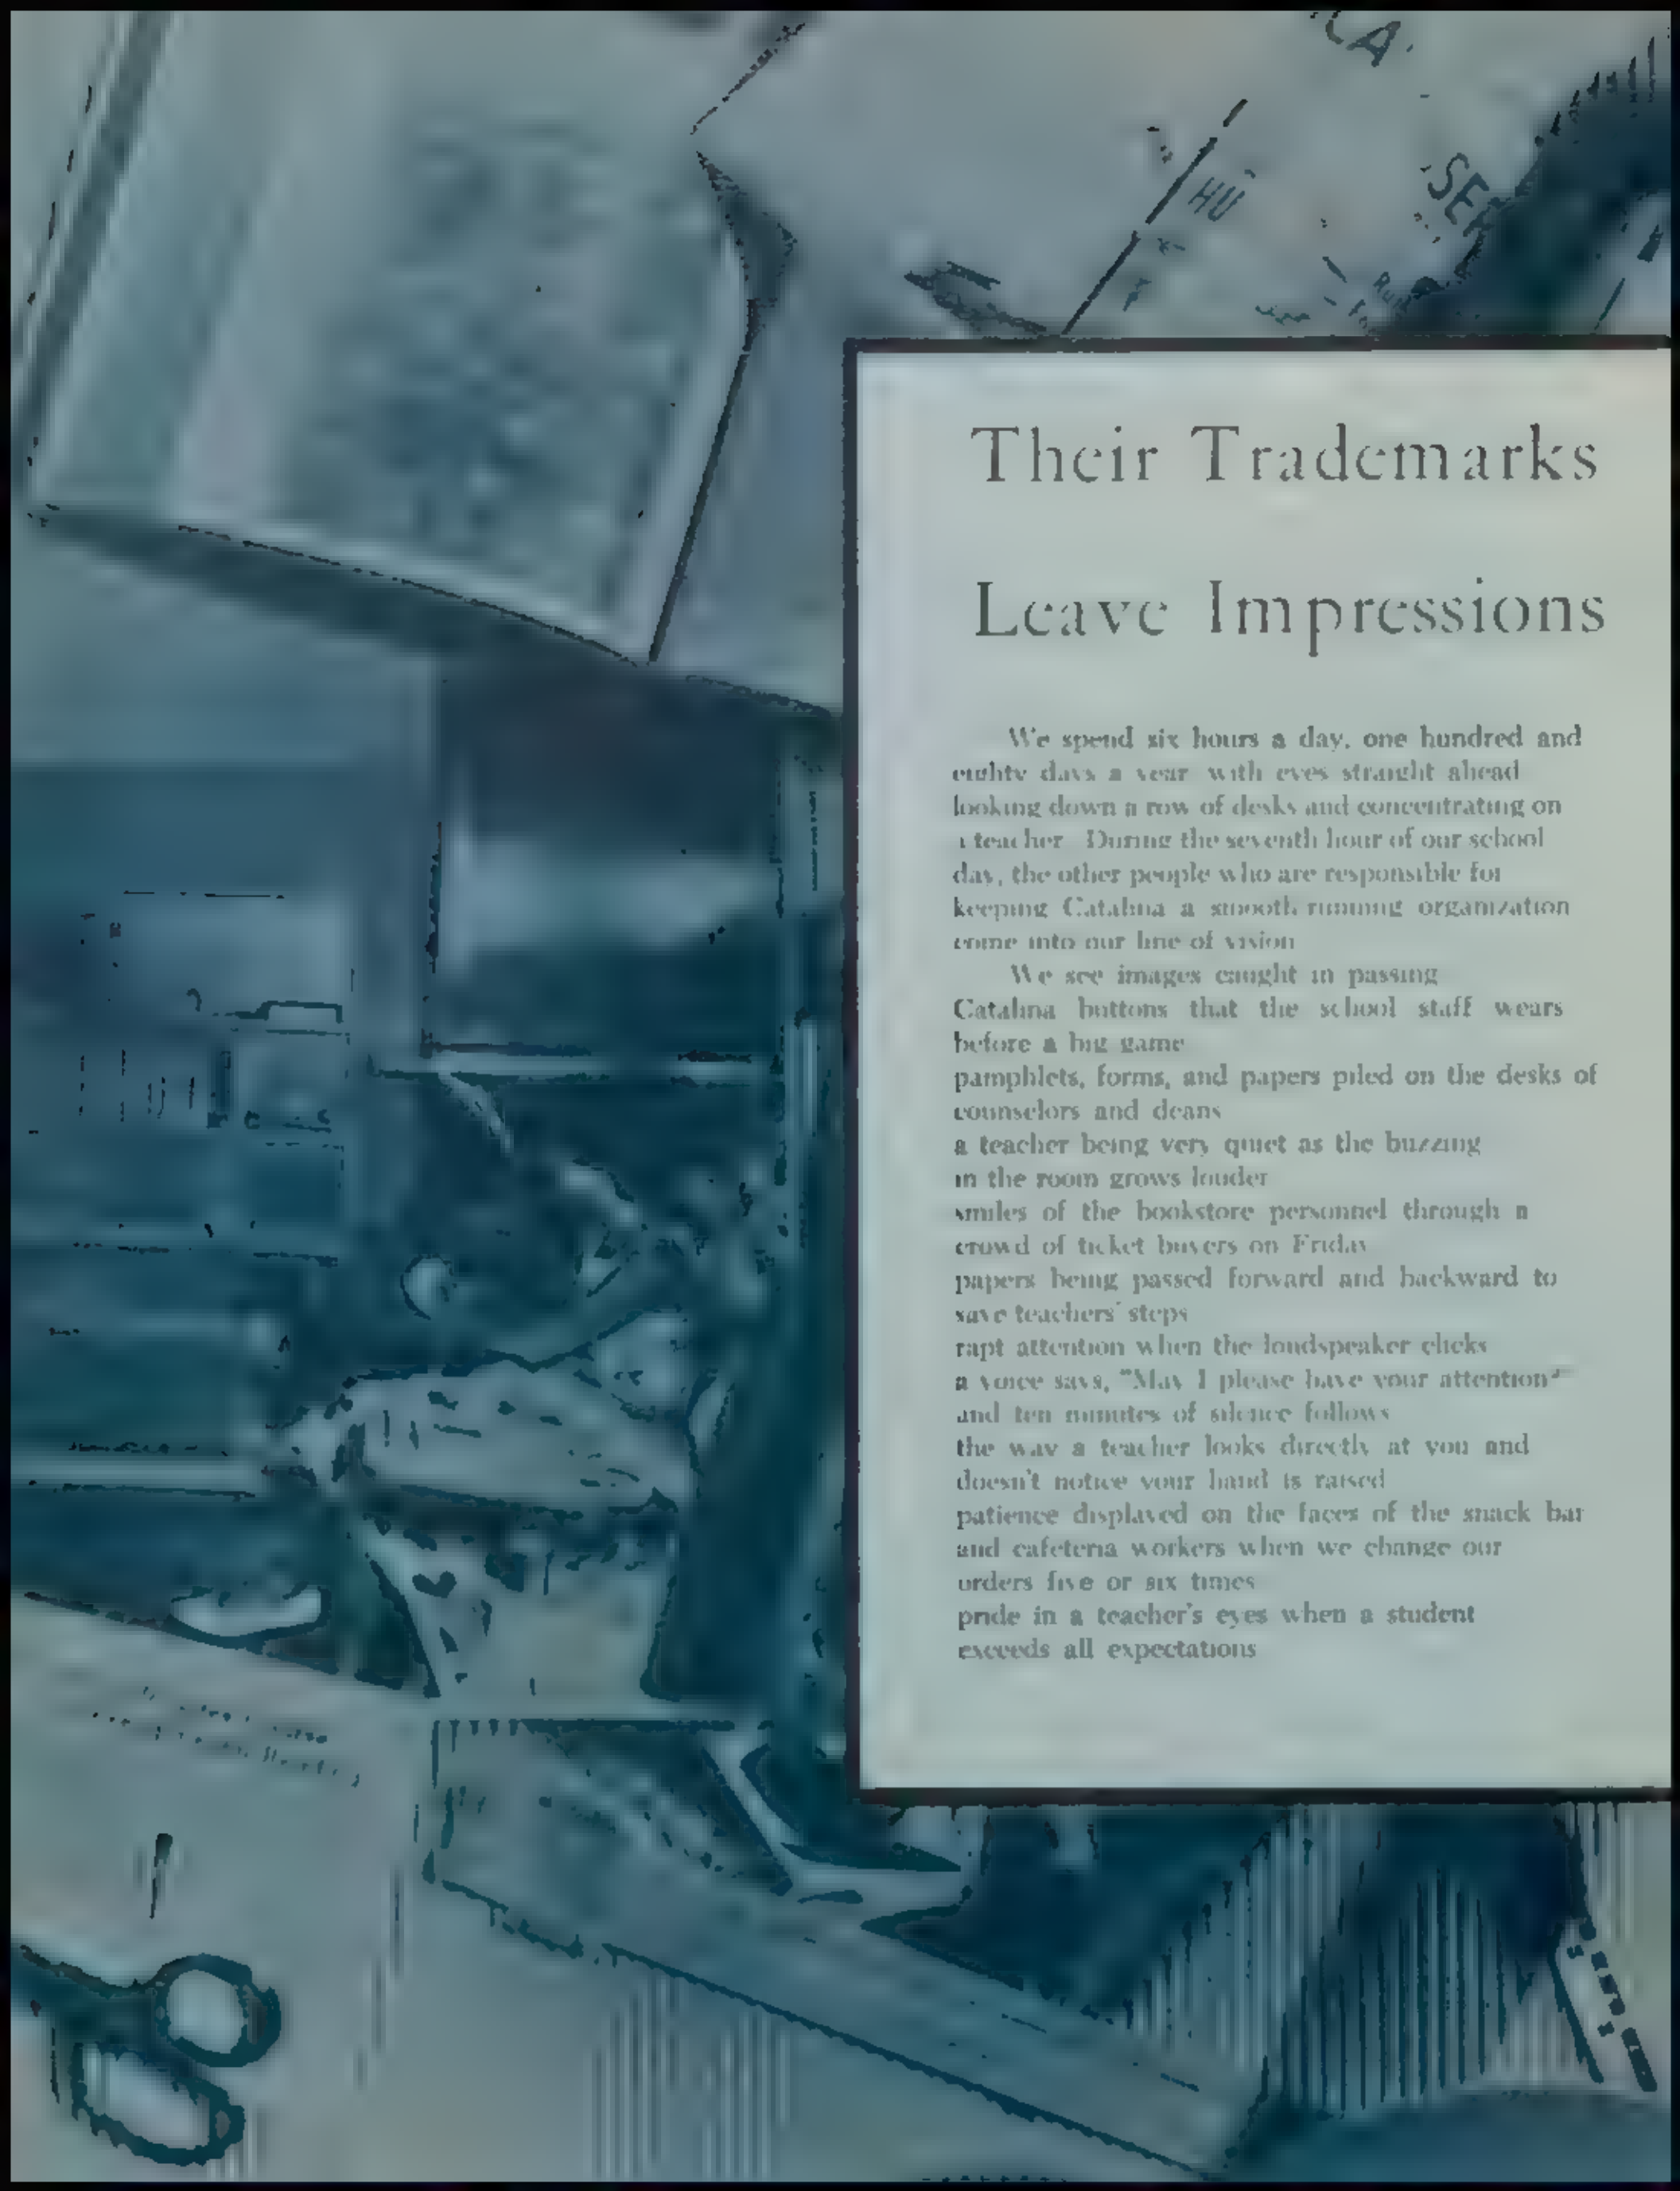

• Some students never see the beginning of assemblies. Trying to balance books, find the right seat and free a hand for the Pledge of Allegiance is not easy!

THE  
TRUMPETEE

## Their Trademarks Leave Impressions

We spend six hours a day, one hundred and eighty days a year with eyes straight ahead looking down a row of desks and concentrating on a teacher. During the seventh hour of our school day, the other people who are responsible for keeping Catalina a smooth running organization come into our line of vision.

We see images caught in passing  
Catalina buttons that the school staff wears  
before a big game  
pamphlets, forms, and papers piled on the desks of  
counselors and deans  
a teacher being very quiet as the buzzing  
in the room grows louder  
smiles of the bookstore personnel through a  
crowd of ticket buyers on Friday  
papers being passed forward and backward to  
save teachers' steps  
rapt attention when the loudspeaker clicks  
a voice says, "May I please have your attention"  
and ten minutes of silence follows  
the way a teacher looks directly at you and  
doesn't notice your hand is raised  
patience displayed on the faces of the snack bar  
and cafeteria workers when we change our  
orders five or six times  
pride in a teacher's eyes when a student  
exceeds all expectations

# Board Forms, Administration Conveys Policies

Members of the Tucson School Board of District Number One meet officially every month. They usually have three supplementary meetings in addition. At all meetings they plan school policies for the current year.

Each member is elected for a five year term, with one person being up for re-election each year. The president is elected by the members of the School Board. This year the president is Dr. Delbert Secrist.

All policies made by the School Board are conveyed by the Administration to the teachers and all other personnel in the system. Dr. Robert D. Morrow, superintendent of Tucson Public Schools, works with his administrative staff to keep the curriculum up to date and the schools running smoothly.

Tucson Public Schools enrolled 46,050 students this year. Due to over-crowded conditions in the high schools, Palo Verde High School was opened this year. Catalina and Rincon High Schools were relieved of a total of 1,000 students.

ADMINISTRATION—Front Row: Charles A. Carson, associate superintendent, Dr. Robert Morrow, superintendent of schools. Back Row: Hugh V. Summers, business manager, Dr. Thomas I. [unclear] assistant superintendent.

SCHOOL BOARD MEMBERS—Standing: Jacob Fruchthendler, Norval Jasper; Mrs. Nan Lyons; Dr. Delbert Secrist, president; Dr. William Pistor, clerk. . . . Seated: Mrs. Myrtle Arnevik, sec-

retary. Not pictured is newly-elected board member, Mr. Dan McKinney, who took office on January 1.

# High School Principal Encounters Unusual Tasks

Scheduling 526 courses for 2390 Catalina students occupied Principal Rollin T. Gridley this year.

With the opening of Palo Verde High School eight teachers were transferred. He then had to find fourteen qualified teachers so as to have an efficient co-operative faculty for this school year.

These unusual problems supplemented other duties which are compulsory year after year for Mr. Gridley. As a matter of course, he is in charge of co-ordinating faculty meetings, preparing the school budget, and directing the instructional program of the school.

From Janesville, Wisconsin, Mr. Gridley came to Tucson, attended the University of Arizona, and took a position at Tucson High School.

He has been in the Tucson School System for 36 years and three generations of Tucson students have been directly or indirectly under his influence.

As Mr. Gridley's secretary, Mrs. Lillian Leonard takes dictation, makes appointments, fills out requisitions and gives information to both students and teachers.

Pausing from making out requisitions and filling out forms for Mrs. Lillian Leonard, Mr. Gridley's secretary.

Principal Rollin T. Gridley, in his office at Tucson High School.

# Student Problems Occupy Registrar and Deans

Assistant principal Conrad Quenneville spends his afternoons planning student programs for the coming year.

♦ Mr. Conrad Quenneville, assistant principal responsible for the task of coordinating the student registration and counseling programs at CHS.

Individual student absences come directly under his jurisdiction.

Although he is able to handle most of the problems of students during the summer, this phase of his job takes the greatest part of his time. Planning student programs and scheduling subjects is a more complicated job because of the staggered sessions. Mr. Quenneville feels these are better than split shifts which might destroy school spirit and unity.

General supervision of the counseling department keeps Mr. Quenneville busy the rest of the year.

Much of the paperwork that keeps the wheels turning at CHS is done by the registrars.

They make out students' schedules with the aid of the addressograph machine. Two metal plates with the student's name, schedule, address and phone number are inserted in the machine. Then the finished schedule is printed.

IBM report cards are issued to all the teachers by the registrars at the end of every six weeks.

Some other duties include registering students for each new school year and filing the permanent records.

Changing one of many students' class schedules is the hardest part because of participation in football and other sports.

Assistant registrar Mrs. Jeanne Ann Red (left) and Miss Helen Clark, assistant secretary.

Spear point attendance is found in the M. E. East. Ex. Lib. Mr. Henry Egbert, assistant principal, East.

♦ Mr. Henry Egbert, assistant principal and dean of boys, is the head of student activities. A graduate of the University of Arizona, he has been dean for the past seven years.

Mr. Egbert supervises the CHS clubs, extra-curricular activities, assembly schedules, and seating arrangements in the auditorium and gymnasium. He exercises control over activities concerned with sports, dramatic arts, and vocal music. As an additional duty he sponsors the hall monitoring system.

Serving as dean, he assists all boys in solving their problems in the fields of citizenship and school conduct.

♦ Helping Catalina's more than 1100 girls with disciplinary and personal problems is the principal job of Mrs. Myrtle Brown, dean of girls.

In addition to her main duty, the petite Mrs. Brown is also responsible for co-ordinating the school activities calendar, supervising school social functions, sponsoring Girls League and handling student loans.

"Although my assigned responsibilities do not change from year to year, each term brings me in contact with new people, who present new problems and challenges. These things make my job a fascinating one," states Mrs. Brown.

Checking over the daily announcements are Mrs. Mary Dyer and Mrs. Bonnie Schmidt, secretaries to the deans.

Involved in guest work this student for the junior prom is just one of Dean Myrtle Brown's many responsibilities.

# Counselors Serve as Valuable School Advisors

Beginning his day with a smile, Mr. Gerald Brandma is carefully completing a student's application for college.

Helping to solve student's school, family and social problems is one of the main duties of Mrs. Larue Hamblene.

A counselor is a teacher with special training in guidance with whom students can discuss problems in confidence. They guide students in understanding themselves and solving any educational, vocational, planning or personal problems. Counselors are also trained to help the student understand his aptitudes and abilities through scholarship tests and other testing services.

Guiding the student in selecting the best college or vocation for his purpose is an important function of each counselor.

They work in close co-operation with the parents to help the students at Catalina get the most out of high school.

"In the standpoint of personal satisfaction, counseling is a very rewarding chance to get acquainted with a majority of the student body and faculty," states Mr. David Fithian, one of the seven professionally trained counselors at Catalina.

Scheduling the classes of many students keeps Mr. David Fithian busily occupied during the spring months.

Finishing homework and going through the yearbooks which are available to students in the counselor's office, Ron Garry.

Tim Clark and Iden Ford want to see their counselors about schedule changes and test score results.

Counselor Grace Hendon checks a student's schedule. Attached is one of the many notes kept by the counselor.

Gerald Hawk had a part of about Northwestern University for one of his college-bound seniors.

Mrs. Dorothy Moore, secretary, gives Jeanne Toder a slip to be excused from an afternoon class to see her counselor.

Searching for a student information folder, Chester Parks prepares to fill out a recommendation form.

Talking to a counselor, Lee Starr says approval when he finds out the student has won a scholarship.

# Unusual Trips, Jobs and Hobbies Occupy Faculty

P. E. instructor, Jack Segurson, who toured Pakistan and India this summer, is shown on the road to a mountain village.

Mr. Richard Schmieder, whose bridge rating is national master, displays just the trophies he and his wife have won this year.

Catalina faculty members lead interesting lives outside of school as evidenced by their trips, summer jobs and hobbies.

American problems teachers Miss Maude Miller and Miss Nona Korfhage visited Russia and north western European countries last summer while a trip to Japan interested business teacher H. C. Tyler. Jack Segurson, P. E. teacher, also went abroad but spent most of his vacation in India and Pakistan taking slides. Mrs. Dathel Lackey, English teacher, has been busy learning about the customs of New Zealand which she plans to visit this summer.

In America, the Seattle, Washington World's Fair attracted six faculty members. Twelve others traveled east. "Roughing it" appealed to J. Lawrence Dunlap, science and math teacher, who camped across the country on a trip from Boston to Tucson.

Some teachers continued to teach during the summer. Photography instructor Robert Dawson taught photography at the student Publications Workshop in Flagstaff, Arizona.

Outdoor work beckoned some teachers last summer. Geography instructor Richard Schmieder was a life guard, and P. E. teacher Cliff Myrick worked as a park ranger in Glacier National Park, Montana.

Gardening is the most popular pastime of faculty members according to a questionnaire survey. Miss Elizabeth Froitz, biology teacher, raises camellias; while Gale Bell, also a biology teacher, preserves his plants.

Photography and travel run close seconds in popularity with golf, hunting and fishing the most popular sporting hobbies. Principal Rollin T. Gridley even ties his own trout flies for fishing excursions.

Math teacher Dured Gordon has the exciting hobby of flying airplanes. Equally thrilling are P. E. teacher Preston Rittenhouse's favorite pastimes of skiing and skindiving.

Head librarian Mrs. Emily Griggs enjoys working with foreign students and Indians while driving instructor Clyde Phillips likes to work on his 1930 Model A Ford.

The rather unusual hobby of exploring old ghost towns occupies English teacher Mrs. Evelyn Overpeck. Being one of the top score players of the American Contract Bridge League, Mr. Schmieder has received trophies for his hobby.

Many CHS faculty members spend after-school hours coaching teams, chaperoning dances and collecting game tickets, thus showing that many of their interests lie in the CHS campus.

Having driven up to a Lapp encampment in a two-wheeled cart CHS American Problems teachers Miss Nona Korfhage and Miss

Maudie Miller, third and fourth from left, pause with a group of Norwegians in Lyngseidet, Norway during a European tour

## Student-Praising Faculty Has Own Honors Cited

Proud teachers of honored students beam in the background and seldom receive much notice of their personal accomplishments

The spotlight now seeks the backstage people in our play of life

The next edition of "Who's Who in American Women" will feature Mrs. Barbara Buchalter, our algebra and calculus teacher.

Ten math teachers and six science instructors received grants from the National Science Foundation last summer while Spanish teacher Miss G. Ann Schroder studied in Guadalajara, Mexico under a two month scholarship.

The membership chairman of the National Business Education Association this year is CHS business education teacher, Mrs. Joan Tolle

Foreign language department chairman Miss Eva Royce was appointed to the College Entrance Examination Board for the French Advanced Placement Program during the '62-'63 term.

Yearbook adviser and graphic arts teacher William Mitchell received the International Graphic Arts Education Association's medal last year for outstanding accomplishments in the field

Summer studying for counselors David Fithian and Chester Parks included the Counseling and Guidance Institute at the University of Arizona

Teachers are still most proud to turn the spotlight on their students' achievements as shown by Carlyle Webb, band and orchestra director, who says his award is the superior-rated CHS band; and Preston Rittenhouse of the P.E. Department, who prides himself on the CHS state champion gymnastics team he coaches

Carlyle Webb, band and orchestra director, who says his award is the superior-rated CHS band; and Preston Rittenhouse of the P.E. Department, who prides himself on the CHS state champion gymnastics team he coaches

# Interest Inventory System Initiated in P.E.

**PHYSICAL EDUCATION** Top Row Miss Emma Cappelluzzo—physical education, health, Archery Club adviser John Criste—physical education football Miss Mary Hays—physical education advanced sports department head Gerry Vento—Athletic Association adviser Second Row Miss Nancy Hyatt—physical education, health, Girls Athletic Association adviser William Kiser—physical education, health, football track Keith Meier—physical education tennis department head William Carl Mynick—physical education, health, basketball

Ultimate goals of the Physical Education Department are to develop the ability of the students in several fields of recreation.

Goals were carried out this year by means of an Interest Inventory. In this system, all students are grouped by interest, ability and need. Freshmen and sophomores are asked to choose at least one team, one individual and one rhythmic activity. Juniors and seniors, taking advanced sports, are placed only according to interest.

Another new aspect of the department is co-ed health classes, of which there were two this year.

Juniors Bill Fournier and Bill Luthy studied the circulatory system for health class tests.

Maybe a twist or stomp would get more enthusiastic results. Freshmen Bruce Fithian, Laura Fohr, Cheryl Parker, Larry Vaughn.

Chester Johnson and Nancy Elliott dance among nets in the girls gym during the three week social dance class.

**PHYSICAL EDUCATION . . . Top Row:** Everett St. Nelson—physical education, health, tennis, basketball . . . Preston Rittenhouse—physical education, health, gymnastics . . . Miss Amelia Sayre—physical education, Girls' Athletic Association adviser . . . Jack Segars—physical education, health, wrestling

**Weight Lifting Club adviser . . . Miss Joyce Spencer—physical education, tennis, Badminton Club adviser . . . Mrs. Maxine Tovrea—physical education, Dardanavice adviser, Forestry adviser . . . Bottom:** Miss Lois Weber—physical education, health, pep leadership, Girls Gymnastics adviser

## Drivers' Ed., Training Teach Respect for Laws

"How in the world do you ever get these cars lined up?" questions Jean Sayre as she attempts the depth perception test

Drivers' education is now a required course for sophomores at Catalina. Approximately 150 students each six weeks period are instructed in the laws and safety rules of driving. Slides of accidents from the Arizona Highway Department supplement classes. At the end of the course, students take a series of perception and reaction tests

Experience in the actual handling of a car is gained in drivers' training classes. This year a 1963 Rambler was purchased by the school and used in addition to the 1958 Chevrolet for classes. Students must have a learner's permit to be eligible for this instruction, and after completing a six weeks course, are prepared to obtain their drivers' licenses

**DRIVERS' EDUCATION . . . Leon Morton—drivers' education, drivers' training, track, Lettermen's Club adviser . . . Clyde Phillips—drivers' education, drivers' training, department head, Sophomore Class adviser, Safety and Traffic Club adviser, Civil Defense Club adviser**

# Science Satisfies Man's Inherent Curiosity

Men and women, through the ages, have been inspired by the curiosity to discover and disclose new facts concerning science. A nation must have a steady supply of these people; without them a civilization would crumble and fall.

Catalina's science department offers a relatively large choice of science courses. In biology, the student learns about physiology which includes the circulatory, skeletal, and nervous systems. This is probably his first attempt at dissecting a worm or frog.

Physical science is also offered.

Chemistry, the matter science, deals primarily with the properties and composition of substances and the transformations that they undergo.

Studying the forces released by energy occupies the physics student.

College biology is offered to all students who have successfully completed biology, chemistry, and physics. A teacher's recommendation is also required. If the advanced placement examination is satisfactorily completed, the student receives eight hours of college credit.

Two laboratory sciences are required for graduation from Catalina.

**SCIENCE** Top Row: Gale Bell—biology, cross country, track . . . Mrs. Glenna Cavan—biology, Bi-Chem-Phy adviser . . . Lawrence Dunlap—physical science, algebra  
Second Row: Miss Elizabeth Frantz—biology, Bi-Chem-Phy adviser . . . Wendell Johnson—chemistry . . . William Kellis—biology, Senior Class sponsor . . . Third Row: Edward Kuhn—chemistry, Freshman Class sponsor . . . George Marcek—physical science, physics . . . John Matteson—physical science, Science Fair chairman, Bi-Chem-Phy adviser  
Bottom Row: Marshall Rucker—physics . . . Glen Gottrock—biology, Bi-Chem-Phy adviser

"Shall we add a bit of arsenic too?" questions Keith Tesberg and Winston Thurt as they devilishly mix a concoction of deadly chemicals.

in a dimly lit corner of a chemistry room. The senior's knowledge of scientific witchcraft is unsurpassed.

FOREIGN LANGUAGE . . . Top Row: Edward Henderson-Spanish . . . Warren Kaler-Spanish . . . Miss Mary Ott-Spanish, Spanish Club adviser . . . Miss Marie Owen-Spanish . . . Mrs Ruth Pierce-Latin, Latin Club adviser . . . Miss Eva Royce-French . . . Bottom Row: Miss Ann Schroeder-Spanish, Aaron Sulman-German, German Club adviser . . . Miss Mary Jo Wolfert-Spanish

## Language Fluency Stimulates Intellectual Growth

Throughout the country, the new trend is to give more emphasis to conversing in a foreign language. Reading and writing are secondary in importance.

To further facilitate learning, the language department has a new language laboratory. Thirty-two separate booths are outfitted with microphones and earphones which enable the teacher to hear students repeat their lessons individually at their own rate of speed.

Besides teaching first through fourth year French, Miss Eva Royce heads the foreign language department comprised of Spanish, German, Latin and French classes.

Sitting in a circle, Miss Ann Schroeder's second year Spanish students find it much easier to converse with one another.

Pointing out the Garonne, one of the five main rivers in France to a French class is Miss Eva Royce.

# Good English Is Vital to Employment Advancement

Proper use of English is essential in everyday life. Competition is keen for survival in the job market. The employer's decision often rests upon the applicant's ability to speak and write English well.

At CHS, four years of English are required. Freshmen English deals primarily with basic grammar which prepares the student for future high school years.

Sophomore English offers a broader and fuller course. The student encounters the basic forms of literature such as the short story and the novel. He also increases his vocabulary.

In junior English, students cover American literature and do research papers from various magazines.

Entering the world of English literature, the senior receives a thorough review of grammar.

Honors English is offered to all freshmen, sophomores, and seniors who have previously received excellent grades in English and teacher recommendations. By delving deeper into plays, stories and grammar, the honors student receives a more full, complete English course. When studying plays, sophomore honor students saw the musical *Kiss Me Kate* and the play *Julius Caesar* at the University of Arizona.

ENGLISH . . . Top Row: Miss Nancy Ann Adie—English, Sophomore Class sponsor . . . Robert Bancroft—English, Catalina Service Council sponsor . . . Gerald Brandsma—English, counseling . . . Second Row: John Caulton—English, journalism, Trumpeter adviser, Quill and Scroll adviser . . . Mrs. Marcus Conway—English . . . Miss Audrey Crook—English . . . Third Row: Miss Frances Curtis—English, creative writing . . . Mrs. Louise Hemmeter—English, Junior Red Cross chairman . . . Miss Leona Hiles—English . . . Bottom Row: Charles Ingram—English, Junior Class sponsor . . . Mrs. Fawn Johnson—English . . . Mrs. Dathel Lackey—English

Bob Ziss, Alan Rodebush, George Meza and Judy Rose enjoy the current magazines made available to the junior English classes in

the reference library. They are used to write research papers on many topics of individual interest.

ENGLISH . . . Top Row, Miss Betty Ladd—English, National Honor Society adviser. Frank Martin—English, George Mueller—English. Mrs. Esther Overbeck—English. Mrs. Lalo Polan—English, department head. Mrs. Wanda Ruckel—English. Bottom Row, Mrs. Esther Schmitt—English. Mrs. Anita Schmitt—English, National Honor Society adviser. Harry Weiss—English. Miss Laura Wade—English.

A smile on her face, Miss Laura Wade listens as students read the play "Pygmalion" in her Senior English class.

Donald Kornberg's paper seems to please his teacher, Miss Nancy Adle. Perhaps he has all of his answers correct.

# Industrial Arts Promote Job Skills and Hobbies

Industrial Arts combines the discovery of occupational interests with the development of enjoyable leisure activities.

At Catalina there are courses offered in auto mechanics, electricity and radio, general metals, printing machine shop, mechanical drawing, photography, sheet metal, welding and woodworking.

Students interested in more advanced industrial courses may take vocational classes at Tucson High School.

**INDUSTRIAL ARTS** Top Row: Guy Chambers—general metals, machine shop

Robert Dawson—graphic arts, photography, publications, Photography Club adviser . . . Everett Dirksen—welding, general metals . . . Second Row: Joseph Heal—auto mechanics . . . William Mitchell—graphic arts, publications

Chester Parks—mechanical drawing, technical drawing, counseling

Third Row: Fred Pizuli—woodworking, department head . . . Louis Sphar—general metals, sheet metals, mechanical drawing

Everett Welsh—general metals, basic electronics, electricity, Radio and Television Club adviser

Bottom: Gordon Whitley—general metals, mechanical drawing, advanced technical drawing, drawing and blueprint reading, football

Feeling the compression from the piston, Sherman Weidock increases his mechanical skill in the auto mechanics class.

What strange weapon is this invader from beyond holding? The arc welder throws out an intense blinding light.

# Practical Experience Offered in Business Dept.

Because of an increased demand for skilled workers, students are finding high school business courses beneficial.

A secretarial vocational course co-ordinates fundamental skills in shorthand, typing and office practice.

Office machines training is provided by operating adding, calculating, mimeograph and ditto duplicating machines, the electric typewriter and the voice transcriber.

Beginning sales provides a general preview of retail store operation in its important phases.

Students who are successful in sales are urged to take distributive education in their senior year. Students work for a minimum of 15 hours a week for a Tucson merchant. They also receive part-time pay.

Additional Business courses taught at CHS are typing, shorthand, bookkeeping, clerical practice, general business and business law.

**BUSINESS EDUCATION**—Top Row: Mrs. Pauline Baldwin—typing, shorthand; Mrs. Barbara Davenport—typing, bookkeeping; Miss Carol Lauer—typing, shorthand and Future Teachers of America adviser . . . Second Row: Miss Charlene M. . . sales, distributive education, Distributive Education Clubs of America . . . Miss Charlotte Proper—shorthand, secretarial practice, office . . . Miss Rowland—general business, business law, bookkeeping . . . Bottom Row: Mrs. Joan Tolle—typing, shorthand, clerical practice; Gold League adviser . . . H. G. Tyler—typing, general business.

On-the-job training with pay is provided students by the distributive education program. Mary Jane Weiss is selling clothing at a local

department store and CHS students Barbara Williams and Joe Hulev are her customers at the moment.

#### SOCIAL STUDIES

Top Row: Reginald Barr—world history, world geography, American history, American history, American history, American history  
 James Black—American history, Latin American history, American history, American history, American history, American history  
 Bottom Row: David L. Smith—American history, American history, American history, American history, American history, American history

## Social Studies Offers Students Knowledge of World

Sue Smith, Catalina graduate, speaks to American Problems students about her tour of Southern Europe.

Modern social studies holds an important place in high school education.

History repeats itself again and again. Perhaps with the understanding of past historical events, the world can avoid further turmoil.

Current events is also considered as a significant topic. Well-informed students are the most valuable asset for the vital leadership of a nation in future years.

World history or world geography, American history and American problems are required subjects for graduation at Catalina. Social studies electives are Latin American history, humanities and world problems.

With the help of his Civil War collection, Mr. William Duffen adds realism to his American history classes.

SOCIAL STUDIES Top Row Miss Mary Craig Harrison  
American history Awards and Scholastic chairman teaching  
Miss Victor Keil world geography Language Arts Social  
Council adviser C. Lee Kirtner American history teaching  
Bottom Row Miss Norma Ketting American problems  
and problems American Field Service Character Education  
Miss Maude Mader American studies department head  
Smith-Munick - American problems Bottom Row  
Richard Schneider - world geography mathematics Lee Starr  
counseling Melvin Vinger world geography football basket-  
ball, Letterman's Club adviser

James Ruppel confidently gives an oral report about Arabia's government in Mrs. Erma Fisher's history class.

Crisis in Berlin was a major topic of discussion for Catherine's world problems classes this year. The students argued about and discussed

our world, its people and its problems. Speakers, films and research papers supplemented daily class work.

# Today's Complex Society Needs Mathematicians

**MATHEMATICS** Top Row: Arthur Alberding—basic math, algebra; Robert Bersax—general math, basketball; Mrs. Barbara Book—basic math, geometry; UICSM Anatolii Bittner—basic math, math-plans; UICSM Ralph Fetsell—department head, Mathematics and State Rule; Dared Gordon—plans, geometry, UICSM

Mathematics has become of increasing importance in the twentieth century. From the student to the electrical engineer, math has proven itself a necessity of life.

Algebra deals with variables, equations and numbers.

In geometry, the student encounters such intriguing terms as "cartesian product, abscissa and ordinate."

Other mathematical subjects instructed at CHS are basic math, general math, consumers math, analytic geometry and college algebra.

UICSM, The University of Illinois Committee on School Mathematics, is a relatively new course teaching students to discover the "whys" of various math principles.

"Divide 286625 by 243," Mrs. Susannah Lipscomb advises perplexed general math student Debbie Moser.

This boy is supposed to be doing math but is that what Fred Ginsburg is thinking about on a fine fall day?

## Home Economics Probes Society's Basic Unit

Homemaking encompasses a wide range of activities through which students can learn to successfully cope with problems that arise in everyday family life. On the practical side, high school girls are taught cooking, child care, sewing and finance. Also important to the homemakers of tomorrow is their training in such other phases as: home management, family relations and family problems.

The homemaking department, under the direction of Mrs. Xenia Haushalter, offers a class open to both boys and girls who are interested in society's basic unit, the family. They discuss such subjects as: marital problems, how to raise a family, and how to furnish a house,

# Fine Arts Provide Experience in Creativeness

**FINE ARTS** First Row: Miss Mary Beath—general art, drawing painting and sculpture, design and crafts, art workshop

Max Brillhart—vocal music, honors music, music discovery, beginning boys choir, ensemble, intermediate strings, orchestra

Mrs. Elizabeth Burtis—general art, drawing painting and sculpture, commercial art, fashion interior and textile design, art workshop

Second Row: Louis Pigott—drama, stagecraft, National Thespian Society adviser . . . Harold Porter—vocal music, beginning girls choir, honors music, advanced choir . . . Lyncey Smith—vocal music, intermediate girls choir, beginning girls choir, music discovery . . . Bottom: Carlyle Webb—honors music, instrumental strings, band, orchestra

Catalina art students are directed in commercial and general art and art workshop

Several programs each year are presented by the music department made up of Girls' Choirs, Boys' Glee Club, A Cappella Choir, and Ensemble

The Trojan band and orchestra are directed by Carlyle Webb

Dardanares, Catalina's advanced dance group, perform at various programs during the school year

Advanced and beginning drama classes produced several plays under the direction of drama coach, Louis Pigott, who also teaches a stagecraft class

Poster paint and charcoal pencil are the tools of art students Joy Ripley, John Norris and Margie Kiddoo

Andy Graham demonstrates a point of script to drama students Paula Schmitt, Lyvon Strong, and Kay Savers

What am I going to do when I come to that high C note? wonders Boys Glee Club singer freshman Tom Cleveland

# New Books, New Students Enter CHS Library

Returning an English novel to library clerks Mrs. Arlene Lawson and Miss Helen Dunbar is freshman Harvey Karchmer

**LIBRARIANS**  
Top: Mrs. Emily Griggs—head librarian . . . Bottom: Mrs. Luanne Scheuerman—assistant librarian  
The Pages adviser

Probably the most frequently used room at Catalina is its library, staffed by head librarian, Mrs. Emily Griggs, her assistant Mrs. Luanne Scheuerman and two clerks

During the first two weeks of school, the library is used as an important part of freshman orientation. Students are shown the layout of the library and how to make use of the reference books and card catalogue

An estimated 716 classes from the science, social studies and English departments, and a total traffic of 125,000 students visited the library this year. They made valuable use of the large supply of library reference books, including encyclopedias, atlases, and the Readers' Guide, as well as the magazine room, for research work and term papers, required in many classes

Approximately 2000 new books are purchased for the library each year, bringing the total this year to 18,513. In addition, new editions of the World Book and Collier's Encyclopedia were added

The card catalogue is just one of the many ways in which Lorinae French can find the books she wants to read for enjoyment or

research. After searching, she will have a list an arm long that will be about any subject that interests her

## 'Good Health is Absence of Disease, Well-Being'

"Can Shirley Allen hear it?" wonders Nurse Leona Korttila as she dials a higher frequency pitch in a hearing test

"Health is not merely the absence of disease, but a general well-being," says Mrs. Leona Korttila, school nurse

Mrs. Korttila serves students by giving first aid to those who are injured or become ill at school. She also helps them with health problems, and keeps up-to-date information for their use in making special reports for health and biology classes

Teachers are informed of any health problems involving their pupils; and parents can consult the nurse about their children at any time

# Tardies, Books and Messages are Part of Day

Ready to sell supplies and accept fees are bookstore workers Robert Keeg, Mrs. Susan Kern, and Miss William Young.

In the attendance office, the secretaries make daily attendance reports, give class admit slips for tardies and take care of getting homework assignments for absentees.

Mrs. Jean Harris handles the countless phone calls that come over the switchboard for some 40 telephones in the building.

The bookstore opened last summer to buy back old books and sell new ones. Throughout the year, the bookstore personnel sells school supplies and locks and handles the school's finances.

Miss Lillian C. Rhodes diligently files and checks out periodical literature in the English reference room.

Searching for books and their way to Miss Rhodes' English reference library for magazines and records.

May we help you? Ask Misses Betty Garza, Geri Medart, Jesse Casco, Meta Moore and Geraldine Burneo. The attendance secre-

taries are ready to assist my Troop by filling out a tardy or absentee slip or with countless other tasks.

# Personnel Keep Catalina Comfortable and Shining

Under the building, the engineers take care of the boilers, tunnel and all electrical difficulties. In the building, the custodians clean all the rooms from top to bottom. Around the building, the caretakers of the yard cut the grass and keep the grounds clean.

Over 1000 sandwiches and 700 lunches are made and eaten in the CHS cafeteria each day. Mrs. Lucille DiLorenzo and her staff plan and direct the preparation of the food. They also serve the student lunch and a la carte dishes to students in the cafeteria lunch line.

Plant engineers Harry Phentz and Tom Foster are probably working to fix a suffocating air conditioner.

Mrs. Lucille DiLorenzo and Mrs. Inez Johnson watch Mrs. Aelia Larcom plan the weekly school lunch menu.

Albert Jones, Janitor, checks the front doors of CHS before making his first round of the building and parking lot.

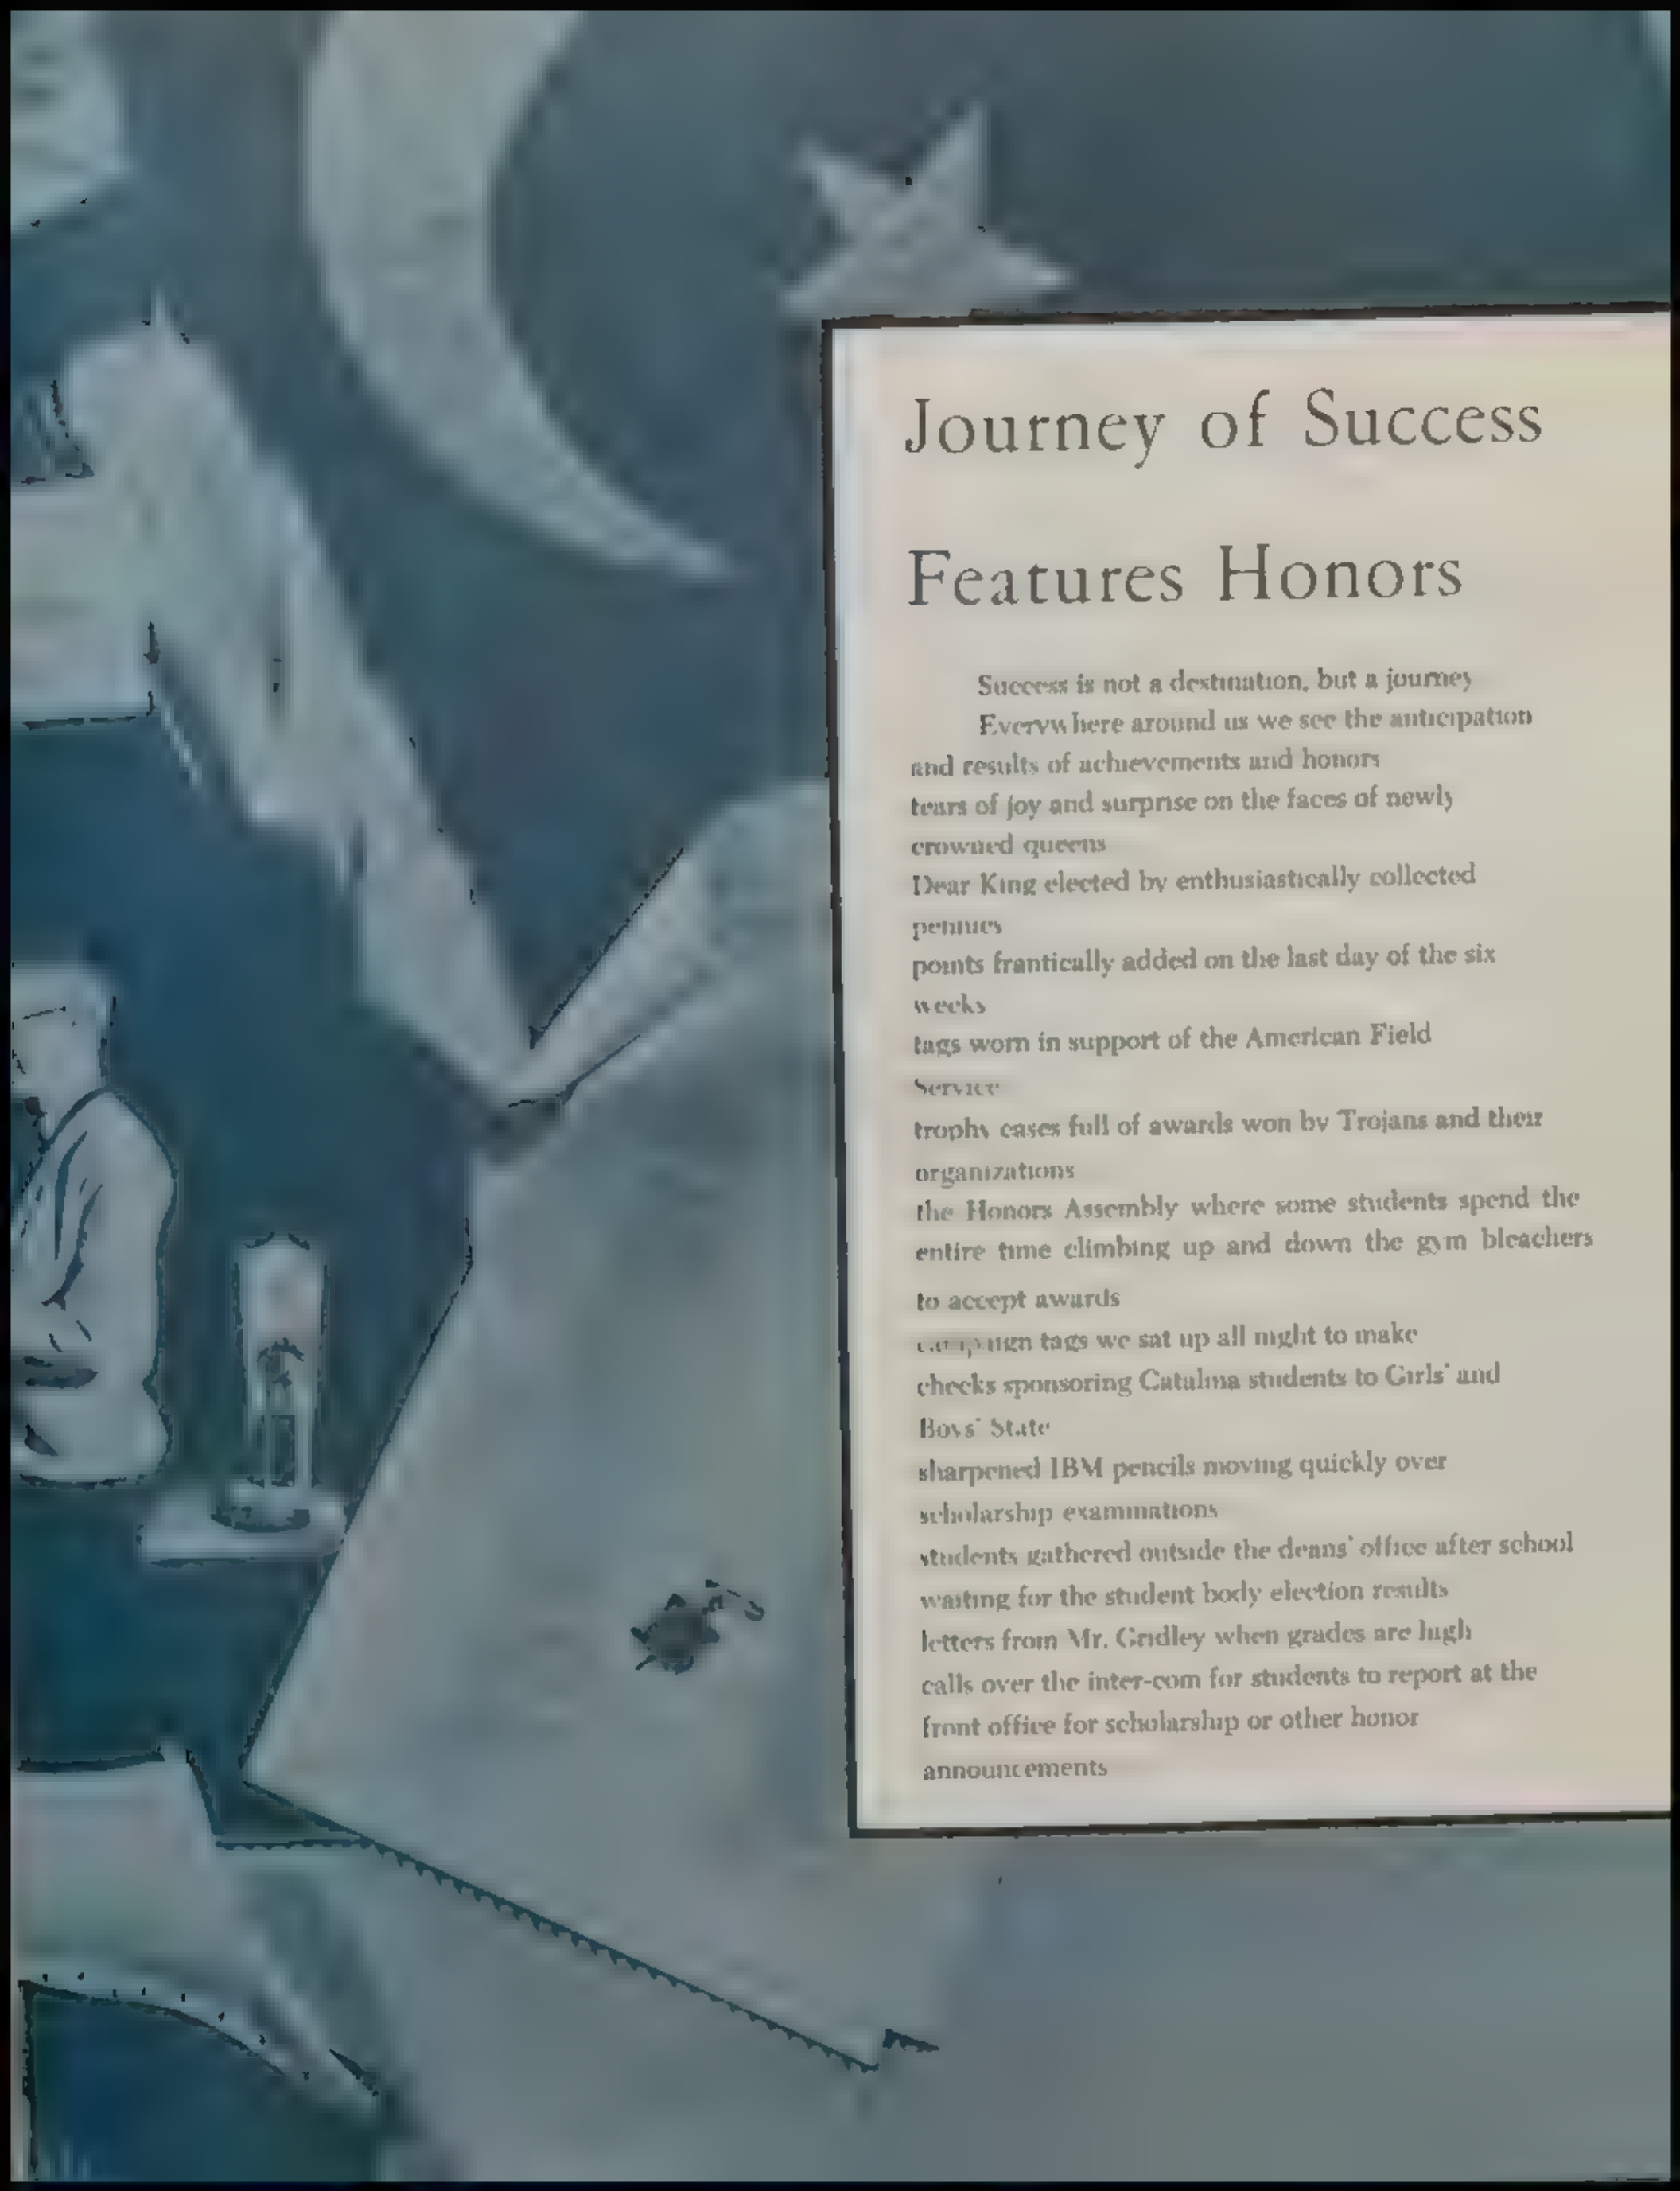

Cutting acres of grass on the CHS campus keeps head groundsman Richard Long busy all week.

Donald Vanderhorst sits on the upstairs bench while Martha C. Young looks at a book for school.

# Journey of Success

## Features Honors

Success is not a destination, but a journey

Everywhere around us we see the anticipation  
and results of achievements and honors  
tears of joy and surprise on the faces of newly  
crowned queens

Dear King elected by enthusiastically collected  
pennies

points frantically added on the last day of the six  
weeks

tags worn in support of the American Field  
Service

trophy cases full of awards won by Trojans and their  
organizations

the Honors Assembly where some students spend the  
entire time climbing up and down the gym bleachers  
to accept awards

campaign tags we sat up all night to make  
checks sponsoring Catalina students to Girls' and  
Boys' State

sharpened IBM pencils moving quickly over  
scholarship examinations

students gathered outside the deans' office after school  
waiting for the student body election results

letters from Mr. Gridley when grades are high

calls over the inter-com for students to report at the  
front office for scholarship or other honor  
announcements

# Student Government Depends on Interest, Spirit

With thrust and ornaments, student council members are seen decorating the Christmas tree in the main entrance.

Those who are interested in class activities, can promote school spirit, and are dependable are most likely to succeed in the school's government.

Student body president carries a big responsibility. He represents CHS students presiding at student council meetings, working with the administration, dealing with other schools and in everything he does.

Writing letters and filing is handled by the corresponding secretary, while the recording secretary keeps accurate minutes of student council meetings.

Student Federation Delegation, reinstated this year, is directed by the student body vice-president. This organization, through homeroom representatives gives voice to students' opinions and reports council activities.

The other executive officers participate in the student council meetings and serve on many committees.

Waiting at the entrance of CHS for a Phoenix limousine that will take them to a November Student Council Convention are Kelly Hanson, Eve Grzybowski, Jill Hart, Warren Phelan, Berna Schmitt, Diane Foster, Danny Chandler and Todd Smith.

Student Body President KELLY HANSON took part this year in cross-country runs, track and safety council. In December he was a TORCH king attendant. Kelly plans to make forestry his career.

Besides being Student Body Vice-President Elynn Gresham was a TORCH staffer, National Honor Society member and a TORCH queen attendant. She hopes to become a psychiatrist.

Jill Hart, Student Body Corresponding Secretary, was kept busy this year with band, gymnastics and the Dardanaire dance group. She is interested in a psychology major at the U. of A.

CHS Recording Secretary Diane Foster was elected secretary of the Senate at Tri-Hi-Y Model Legislature this year. Songleading, TORCH staff and a future in sociology are among her interests.

A radio wave set bought by student council aids Coach Bill Kiser on the field.

As these students buy hats and shakers from Susan Shetter, they are able to show their school spirit as they help to support their school financially.

# Dear Season, Tickets Finance Student Council

Sponsoring the spring Dear Season and selling football and basketball tickets annually provides Student Council money for special school supplies.

A walkie-talkie, used by the football coaches to relay plays on the field to the stadium announcer, was purchased by the Council this year. Also, money was appropriated by the Council to buy a camera with a sound tract to film all student activities.

School funds were also spent by a Council ap-

pointed committee for records used during lunchtime and school-sponsored dances.

The Council is comprised of four elected members from each class, the four student body officers, who preside at weekly meetings; and the two foreign exchange students, who are honorary members.

Strict parliamentary procedure is followed during the meetings, and after all discussions and votes, final decisions are left to Principal Rollin T. Gridley.

Miss Victoria Kahl, advisor

With the new video camera and other equipment purchased by Student Council this year, Mr. Dixon hopes to film professional quality movies.

**STUDENT COUNCIL**—*Front Row:* Jill Hart, corresponding secretary; Diane Foster, recording secretary; Kelly Hanson, president; Eric Crowski, vice-president; Miss Victoria Kahl, advisor. *Second Row:* Barbara Jeffries, Linda Bowman, Berna Schmitt

*Front Row:* Ann Williams, Lynn Spencer . . . *Third Row:* Susan Shetter, Chris Wald, Sharon Bykerk, Connie Grlam. *Back Row:* Todd Smith, Larry McBride, Warren Phelant, Danny Chandler, Brock, Craig Gillespie.

## Student Court Facilitates Trial By One's Peers

A chief justice, gavel in hand, is a common sight in Catalina's Student Court.

Court facilitates trial by one's peers which sometimes has more meaning than a teacher's reprimand.

The deans have given student court more power this year. The eight justices (two elected from each class) and senior chief justice try cases dealing with tardies, misconduct and other minor infractions of school rules.

# Honors Are Gained With Ability, Desire and Work

Pat Gillespie, a member of the Elks annual Leadership Council, is pictured here. He is a member of the Elks Club in Prescott, Arizona.

If you want to be a leader, you are not content to be a follower, but you are only by those willing to work for them.

At the Elks annual Leadership Council, students enter a contest to win a catchbook of their own. The winners will be selected by the council. The winner will receive a trophy and a certificate of service, however.

Presidents of the Elks Club must show traits of leadership and submit a letter telling why they want to attend the human relations camp.

Boys and Girls Staters have maintained an outstanding high school career and are chosen by the faculty for this specialized government study.

All proposed scholarship awards are sought with good grades, interest and expressed desire.

Casper Grouse, a member of the Elks annual Leadership Council, is pictured here. He is a member of the Elks Club in Prescott, Arizona.

CHS's 1962 Audubon Award winners for their leadership qualities to attend the human relations camp in Prescott, are: Pat Gillespie, Barbara Culin, Tom Roy, Lynda Cuqua, Bill Nelson, Judy Hatwick, Bob Bartlett and Esther Rudis.

Barbara Culin, Tom Roy, Lynda Cuqua, Bill Nelson, Judy Hatwick, Bob Bartlett and Esther Rudis.

Don Gabriel was awarded the Thom McAn Award for leadership, sportsmanship and scholarship

City, county and state governments were studied by Girls' Staters Jan Getty, Eve Grzybowski, Melanie Robertson and Connie Graham at the U. of A.

Boys' State delegates Larry Ashton, Kelly Hanson, Warren Dole, Lew Brock and Don Gabriel. They will travel to Arizona State University.

Math teacher Ralph Potrell won a summer laboratory project in UICSM Laboratory at Illinois U.

Wondering what the teacher has to say? The City High AHS teacher, Tom Roy, Tom Shook, and a student, Kelly, are looking at the chalkboard.

Reading a book at West Point. The Boy's Scout, Warren Phelan, is reading.

Speed reading instructor Charles Ingram marks off reading rates. It is that to answer students' questions.

City-wide chance as Elk's Most Valuable Student. Warren Phelan was Deer Week chairman and handled the assembly.

# Honors Provide Incentive for Methods Revolution

Students who maintained straight one averages for five or more years are Tom Roy, Lois Putnam, Jon Hoffman, Lynne Hermann, John Stevenson, Dianne Fleming, and Casper Crouse. Not pictured is Connie Graham.

A group of students who have won trophies for being the top student in their class for five or more years.

Honors that people receive help them to revolutionize other people's ideas and methods

Four chosen American Field Service students can take understanding to foreign places and bring back knowledge of new customs and beliefs

A new military academy appointee may eventually add new ideas to our nation's defense system

The speed reading course initiated by English teacher Charles Ingram has given seniors new-found talents of comprehension

Student Federation delegates are learning and teaching lessons in government

Recognition shown outstanding achievements provides incentive for greater successes

Straight one students are presented silver keys, but the even higher distinction of working for higher goals

Highest scorers on the National Merit Scholarship Qualifying Test are not content with merely the honor afforded them, but reach out for funds to study more in college

Julie Hamrick, Bob Bartlett, James Schreiner, and Chloe Schreiner (not pictured) were the top scorers on the National Merit Scholarship Qualifying Test. They took the test in May of their Junior year. The first round of scholarships was made at the end of their Senior year on a basis of their Junior year scores. The second round of scholarships was made at the end of their Senior year with no restrictions about grade averages.

# 

collecting minerals and debating

hobbies

active or enjoys as a hobby

Forensic League student **SUSAN JACOBSON** enjoyed writing copy for The Torch almost as well as speaking. Her popular organ playing and dancing lives the many parties she hosts. Susan will be enrolled at the University of Arizona in some field of psychology next fall.

Well-traveled **JOHNNA JOHNSTON** has lived all over Arizona and used to live in West India. Her diversified interests include guitar playing and Ski Club. The Quill and Scroll vice-president and Torch staffer wants to write for magazines in a journalism career.

Sports minded **SHARON MURPHY** likes tennis best and is on the college tennis team. She does an "about face" by being in the orchestra and enjoying all types of music. St. Louis University in Missouri or the U. of A. will be her destination for history education studies.

Model United Nations delegate and has been well prepared for his future career in international law. An American of water, skiing, hunting, target shooting and swimming.

and fishing after school. He is a member of the Chess Club, the Glee Club, the Student Body, and the Student Council. He is also a member of the Student Body and the Student Council. He is also a member of the Student Body and the Student Council.

WARREN THILMAN, a member of the Student Body and the Student Council, is a member of the Student Body and the Student Council. He is also a member of the Student Body and the Student Council.

Future teacher, MARTHA PREN- from in Berkeley, California. She has lived in Tucson most of her life. She is a four-year member of FTA and enjoys writing, dancing, reading, bowling and sewing. She has belonged to International and has plans to attend the U.

Folk singer RICHARD SALTUS strummed his banjo at many school functions as well as sometimes playing in a dance band. He is a member of the Student Body and the Student Council. He is also a member of the Student Body and the Student Council.

RICHARD SHOSIE lived in Arizona for two years and is now president of CHS's Spanish Club. Music is Rick's favorite hobby and he plays the guitar, the mandolin and the guitar for pleasure. This senior track member plans to attend Arizona State College in Flagstaff.

One who has been **JOHN STEVENSON** has a variety of interests. As captain of the tennis team, and its number two player, he was eligible for Letterman's Club.

Two years of college will be spent at ASU in Flagstaff in liberal arts.

Musically minded **TOM TAPPAN** plays the clarinet and saxophone in the Catalina band and orchestra. As a member of National Foreign Language, he was several debater at speech meets this year. Tom is also interested in science and hopes to become a chemical engineer.

Interested in languages, **MARIANNE** is a member of the U. of A. and goes into the field at the U. of A. and goes into the field at the U. of A. Canadian-born Marianne had never tried the sport before moving to Tucson last summer.

Colorado born and musical **RUTH WHEELER** sang her way through A Cappella Choir, in which she was on the music, and Ensemble. She also was International Club's vice president. Ruth says music is her main hobby, but she might like to study law at the U of A.

Stamp collector **LETHA WILSON** also enjoys swimming. Letha has traveled throughout the South and belonged to Y-Team Club, Spanish Club and Future Teachers of America. This U. of A. bound girl wants to major in social science and be a teacher or social welfare worker.

Known political observer, **TOM WILSON** debates his findings for Foreign Language meets, writes for The Trumpeter and hopes to eventually go into law or medicine studying. He played on underclassmen basketball and track teams and enjoys golfing and water skiing.

# SENIOR DAY PRINCESS

Princess was second runner-up

A black and white portrait of a young man, Mike Cartwright, from the chest up. He is wearing a dark suit jacket, a white collared shirt, and a dark necktie. He has short, light-colored hair and is looking directly at the camera with a neutral expression. The background is a dark, textured grey.

TORCH KING

MIKE CARTWRIGHT

Young Mike is a student athlete and big in athletics. He has been letterman and the captain of the football team, on the golf team and vice-president of Lettermen's Club.

# TORCH QUEEN

CONNIE GRAHAM

Highest girl in her class academically. Connie is a member of NHS and TORCH staff. Cheerleading and student council enabled her to take third place in the Elks Leadership contest.

New Catalinan,

6 Others Are

DANNY FLORES

In his first year at Catalina, first attendant Danny proved to be an asset to football and basketball teams

JOE BRECK

Versatile Joe excels scholastically and athletically, serving on student council and advisory board this year

SHARON HAWKE

Sharon, who sang in A Cappella Choir and Concert Ensemble was also elected a Lettermen's Queen attendant

BARBARA CULIN

Lively Barbara was senior class secretary, an Anytown delegate cheerleader and on the girls gymnastics team

# Queen's Sister, TORCH Court

ING-BRITT LINDEROS

Swedish exchange student Ing-Britt was first elected by the Queen's sister Connie and elected Lettermen's Queen

DON GABRIEL

An outstanding athlete, football player, Don was president of Lettermen's Club and attended Boys' State.

KELLY HANSON

Participation in student government and sports summarize student body president Kelly's four years at Catalina

EVE GRZYBOWSKI

Class Secretary and Student Body Officer, NIS member, TORCH staffer and Senior Day Princess candidate

## RODEO QUEEN

LAUREN STUDIN

As well as reigning over Catalina's February frontier dance and Rodeo Parade entry, cheerleader Lauren was queen of the college All-American Bowl held at the U. of A. in December.

## RODEO ATTENDANTS

JILL HART was often running errands and answering letters in her job as Student Body Corresponding secretary. Her other interests include band, gymnastics club and dardanaire dancing.

Vivacious JUDY COOKE has been active in student government ever since serving as her freshman class vice-president. This year she was kept busy as co-head of the CHS pom-pom girls.

Sparkling blue-eyed blonde DEBBY HAND hails from Wisconsin but is now a true Westerner. A songleader, she is academically one of the top 25 in her class and a member of Honor Society.

Fair and soft-spoken LYNN SPENCER, a Southern belle from Georgia, brightened the pom-pom girl line and student government, as a three year Council and four year advisory board member.

## Votes for Athletic 'Dears'

### RIC GRANT

Uncontested king of the  
court, Ric is a top of attraction  
to the ladies. His distinctive  
figure is a real adept in  
all sports. Athletically, he  
has excelled in football and baseball  
activities.

# Raised \$100 for Cancer

## STEVE BEENBLOSSOM

"Dear Steve was one of the few people in the community to contribute in addition to the team. Steve is a member of Lutheran Church-South Central.

## RON FLORIS

One of the men who has been a member of the trade association and trucking industry is one of the top his list of interests.

## ROCKY WRIGHT

Rocky is one of the few people who has been a member of the community and who has been a member of the community and who has been a member of the community.

## Swedish Ing-Britt, Pakistanian Masud at CHS. . .

Ing-Britt Lindgren greets her family with her portraying the Queen of Uga in Santa Lucia Day, a Swedish feast.

Ing-Britt Lindgren, 21, is the Uga in Santa Lucia Day, a Swedish feast. Her last year in Sweden was 1964 in New York. Here she sits with her family. From left to right: Ing-Britt, her mother, Dr. and Mrs. E. P. Gustafson and Sherry.

Masud and his "family" spend many pleasant days around the house at the Bremonds' cabin on Mt. Lemmon. Pictured here are his twin sophomore "sisters" Ann and Betty, John, Jack and Mr. and Mrs. Howard Bremond.

Masud Ghani, foreign exchange student from Pakistan, enjoys looking at pictures of Arizona which remind him of home.

# While Our AFS'er John Traveled to Finland

"I thought Tucson was a small town with wild Indians before I came here," laughs Ing-Britt Linderos Catalina's American Field Service student from Sweden.

Ing-Britt came from a school about the same size as Catalina but she attended school six days a week. It was surprising for her to see how familiar students are with teachers and what little emphasis students put on their studies.

In Sweden, girls go with one boy but it is not serious," she says in regard to dating. "Even a girl with a date goes places with a group of girls and meets her date there."

She enjoys singing and playing the piano in her spare time and her favorite subject is P.E.

Ing-Britt concludes, "In Europe everyone's dream is to come to America."

After three jaunts by plane and one by boat, Masud Ghani arrived from Abbottabad, Pakistan the first week in September.

Tucson reminds him of home with its deserts and nearby mountains.

"I can't get used to dating," he says when relating his impressions of American life. "In my country women are separated from the men, marriages are arranged by parents and there are no co-educational schools."

Masud's favorite subjects are American history and journalism while his hobbies are reading and sports.

"Hyvaa, paivaa!" How are you?, writes John Hiatt senior from Catalina who spent last summer and first semester in Helsinki, Finland.

John had two brothers, Matti, 16 and Ville, 18 in his Finnish "family."

John, who learned Finnish during the summer, took ten subjects in the fall including four languages, physics and psychology. The boys' school he attended six days a week was run by a headmaster who insisted that the boys wear white shirts and ties.

One of the interesting advantages in living in Finland is that they eat five meals a day," laughs John.

Seated in the first row are his parents, Dr. and Mrs. Aukko Valtonen, second and third from left, with their married daughters and grandchildren. Servants are standing in the second row and John is fourth from left in the third row with his brothers.

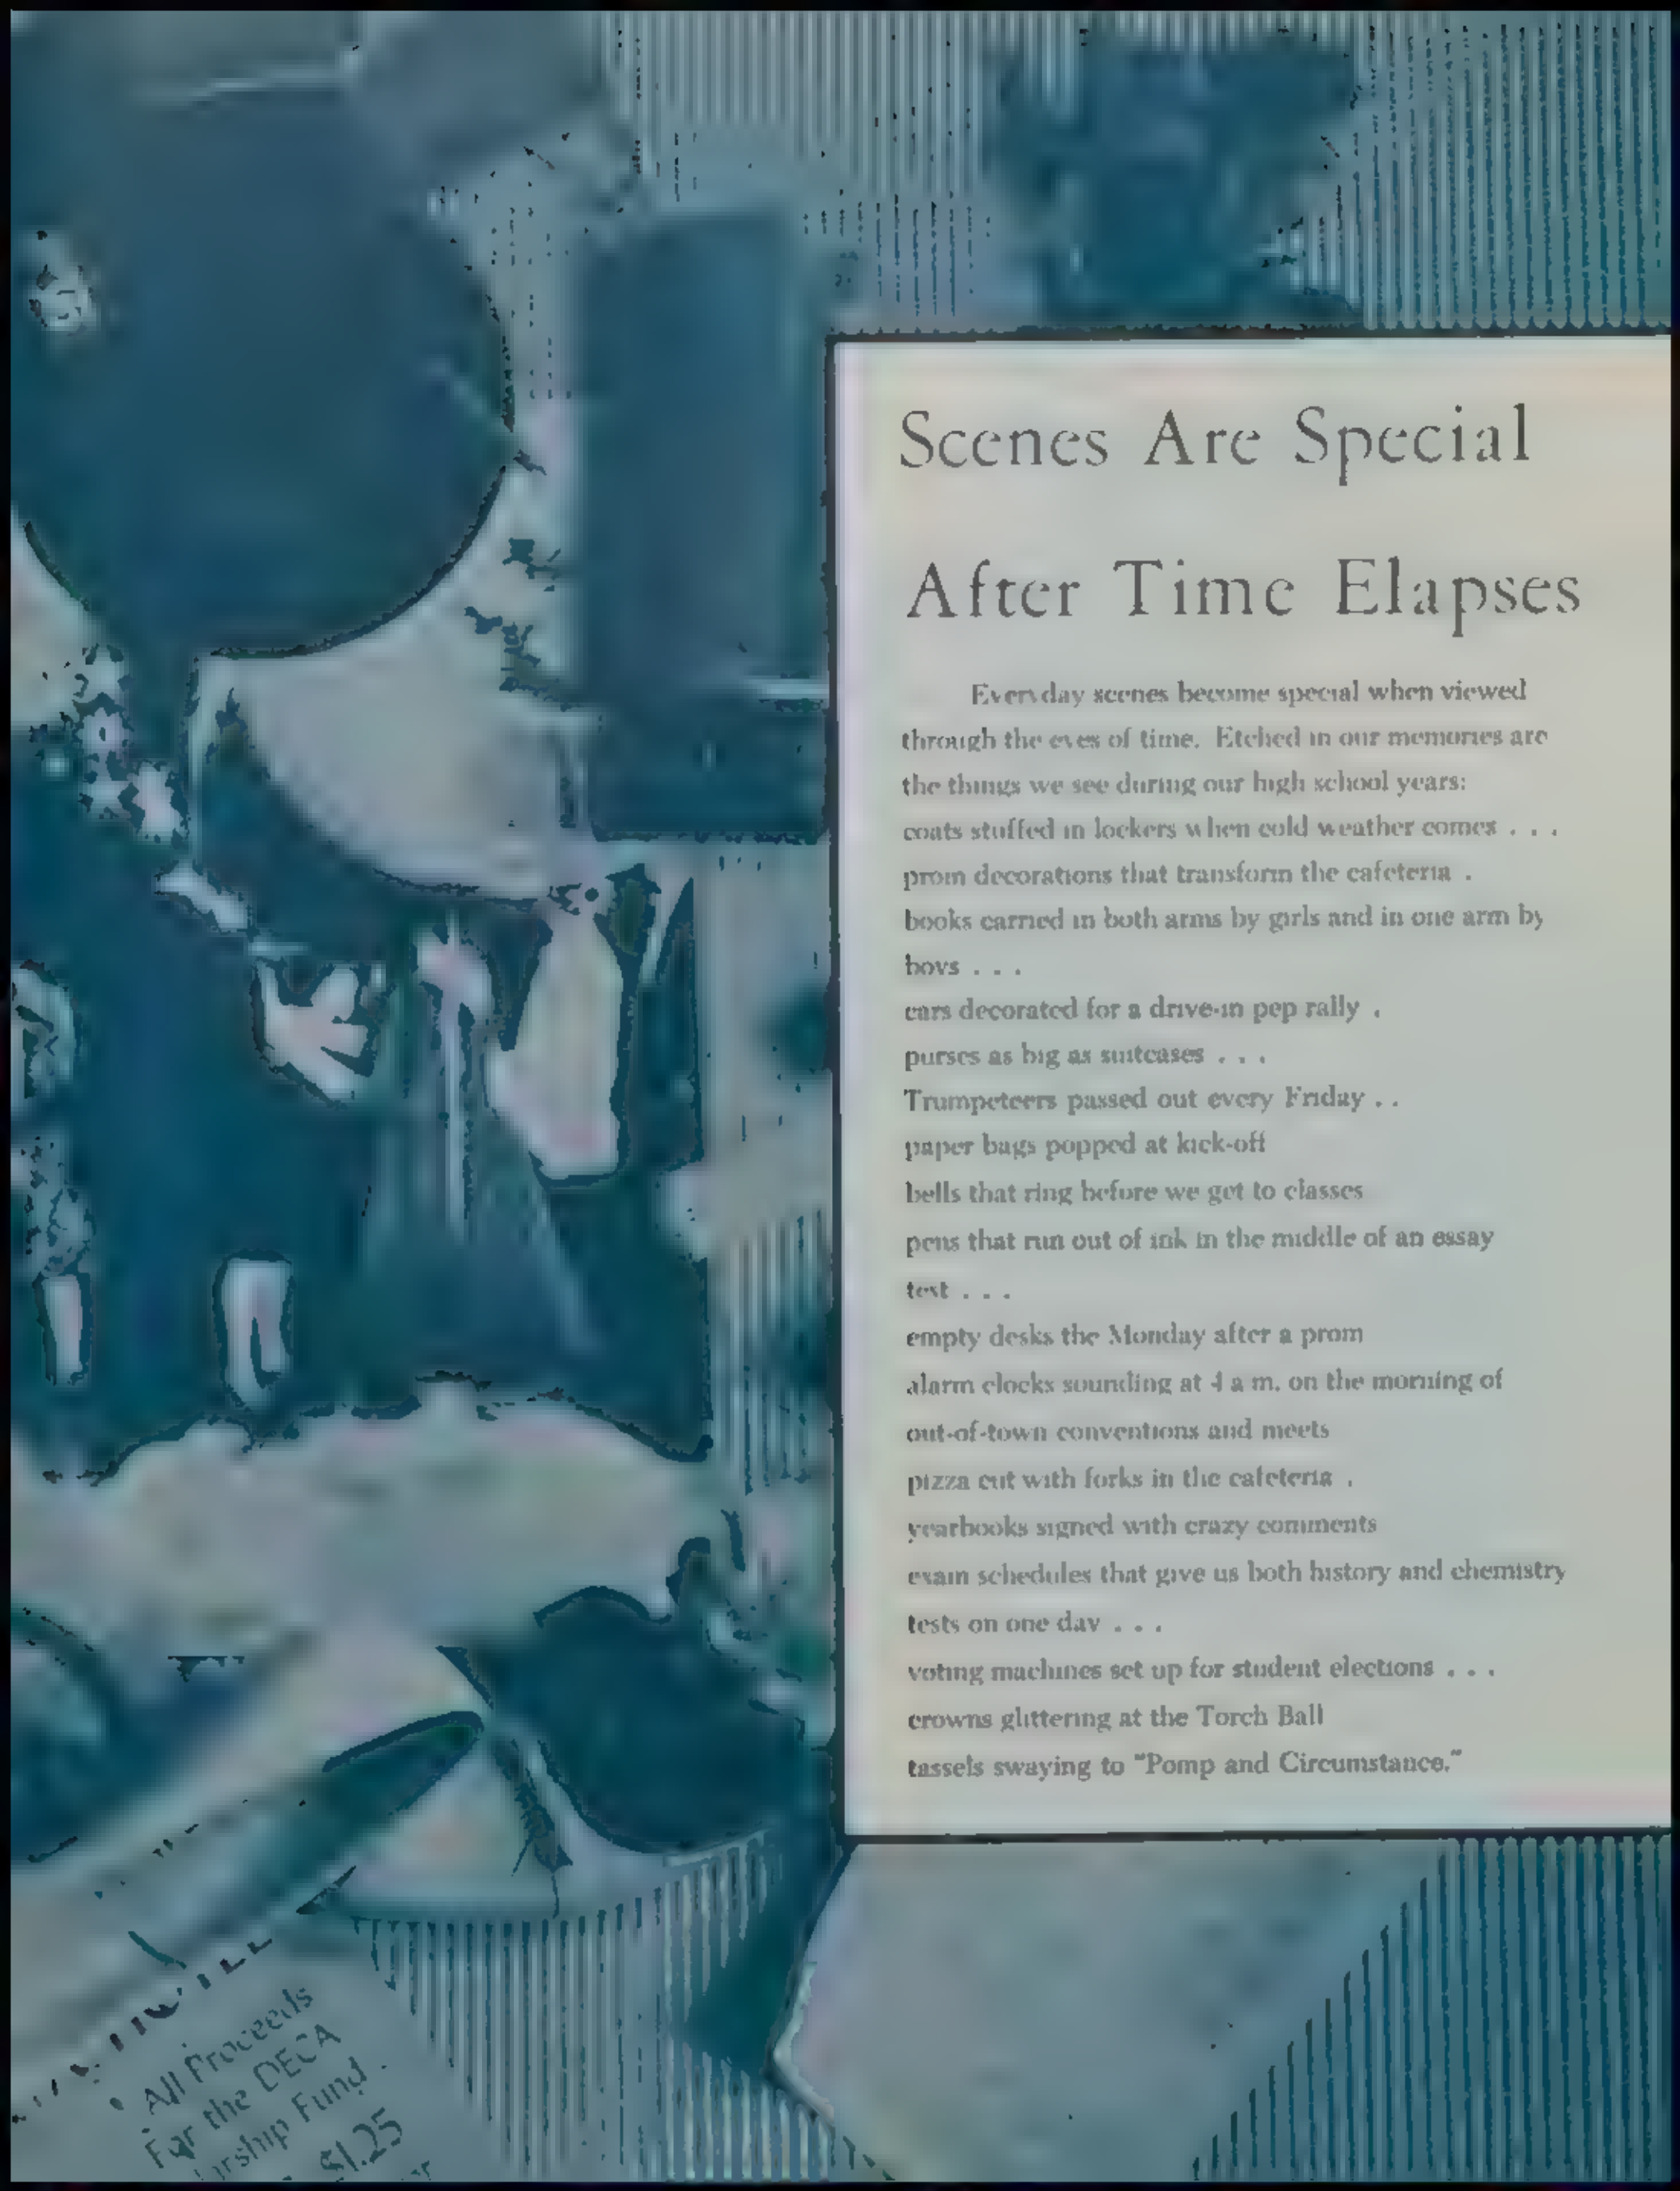

Aboard the "Seven Seas" enroute to Rotterdam, CHS senior AFS'er John Hiatt mans the helm and looks like a Scandinavian seaman.

and, Door Prizes, and Refreshments  
Nov. 21 8:00 P.M.

# Scenes Are Special After Time Elapses

Everyday scenes become special when viewed through the eyes of time. Etched in our memories are the things we see during our high school years:

- coats stuffed in lockers when cold weather comes . . .
- prom decorations that transform the cafeteria .
- books carried in both arms by girls and in one arm by boys . . .
- cars decorated for a drive-in pep rally .
- purses as big as suitcases . . .
- Trumpeteers passed out every Friday . .
- paper bags popped at kick-off
- bells that ring before we get to classes
- pens that run out of ink in the middle of an essay test . . .
- empty desks the Monday after a prom
- alarm clocks sounding at 4 a.m. on the morning of out-of-town conventions and meets
- pizza cut with forks in the cafeteria .
- yearbooks signed with crazy comments
- exam schedules that give us both history and chemistry tests on one day . . .
- voting machines set up for student elections . . .
- crowns glittering at the Torch Ball
- tassels swaying to "Pomp and Circumstance."

## Freshmen and Football Herald New School Year

In front of a line of shiny trash cans, Catalina's songleaders present a routine to the song "Alley Cat."

Excited about attending their first high school social event are freshmen as they dance at the frosh frolic

Summer faded with the advent of the new school year. Activities and studies soon became routine and freshmen began to find their classes.

September should have been called Freshman Month. The first social event was a frosh party. Freshmen got into the swing of things by electing their own class officers.

The first football game resulted in a Trojan victory. CHS spirit rode high from then on, as evidenced by the well-attended out of town game.

Grimacing Winnie Kimble poses stiffly for underclass pictures as photographer Gene Scott clicks the shutter

Dancing in full swing at the Girl Scout event are  
 boys Diane Townsend and Danny Scott.

The September evening kick-off pep assembly featured the introduction  
 of the varsity football squad by its coach John Criss.

It's another touchdown for the Arcadia Titans who finally beat the  
 Trojans 37 to 19 in the second game of the season. The game

in Phoenix was attended by 400 CHS students who were trans-  
 ported to the September 21 out-of-town game in Greyhound buses

# October Found Clubs, Pep Rallies in Full Swing

A large group of students and faculty members are gathered on a stage, many holding up certificates or awards. They are dressed in formal attire, and the atmosphere appears to be one of a formal presentation or ceremony.

October was a month for getting jobs organized. Skating, football, basketball and skiing. Future Homecomingers were invited to the Homecoming Club at the A. B. Hall for the party.

Once again, the senior pep assembly was held at October football games. Citizens and students had time to entertain and took a vacation at the concert of American Band Day. The pep assembly was provided by the Fall Concert and the pep band. Student Manager of the pep assembly was held.

Two young men, one in a dark hat and one in a light hat, are shown in profile. They are both looking towards the camera with slight smiles.

A group of students are sitting at a table, looking at a large, round object that appears to be a cake or a large pie. They are all looking at it with interest and some are pointing at it. The setting appears to be a formal dinner or reception.

A group of students are sitting at a table, looking at a large, round object that appears to be a cake or a large pie. They are all looking at it with interest and some are pointing at it. The setting appears to be a formal dinner or reception.

Beauty and the Beast, Lynn Draper, Allyn Hansen, and Earl Roll were just a few of the creatures that entertained at the "Monster Mash."

At the Senior Prom, Lynn Draper, Allyn Hansen, and Earl Roll were just a few of the creatures that entertained at the "Monster Mash."

## In November Seniors Danced, Parents Visited

Seniors Bill Cowly, Earl Roll, and George Cunningham transform the down-to-earth cafeteria into an "Island in the Sky."

November came in like a monster with mashing at the senior dance after the Pueblo football game. Allyn Hansen was crowned Senior Day Princess and placed second among girls from all over the state at the University of Arizona Senior Day. Seniors also distinguish themselves with a beautiful senior prom, in oriental "Island in the Sky."

Parents saw the school on visitation night and dads again visited CHS to accompany daughters to the Girls League annual Box Supper.

# April Sports, Holiday, Imagination Prom Went Outside

Signs were put out in the gymnasium for the April Sports Prom. From left to right: Mike, Tom, Mary, and Helen.

At the April Sports Prom, the students went out of doors. The basketball and swimming teams were in full action. The basketball team took up swimming at the Y.M.C.A.

At the April Sports Prom, the students went out of doors. The basketball team took up swimming at the Y.M.C.A.

The April Sports Prom was held in the junior class as the main theme. At the unusual prom, couples danced under a "big top" of blue and white crepe paper. The students were served in the patio. An after-prom party at the Bagdad completed a memorable evening.

One of the many couples who danced at the April Sports Prom. From left to right: Al Lindberg and Gordon.

The junior class enjoyed the April Sports Prom. From left to right: Mike, Tom, Mary, and Helen.

One of the many couples who danced at the April Sports Prom. From left to right: Al Lindberg and Gordon.

Chatting Jimmy A. Smith, Bill Canfield, Ed. Baker, Kaye Stapp, Lynn Hermanson and Walter W. Smith on the steps of the school building.

It's a high step up to Edward Salter for Dorothy Hearn, with Ed. L. Schmidt, Gene Clark, Ernest Simpson and Robert Schneider waiting to be measured for graduation robes.

Yr. of swimming hole was once again a popular place for suntanning as warm April winds blew. Here Barbara Culin enjoys Kelly and Kelly Hensen's pool site.

Presenting "Jane, Jane, Jane" in auditions for Capers are John Voss and Gregg Kuntz.

Best friends, Allyse Hansen and Sharon Hawke sang and danced their way through a countrified version of "Friendship" at Senior Capers. Photo by the Green Apple Staff.

## Year's Closing Flurry Crescendoes in May-June

June 7 was the magic night when robed Catskills seniors received their long-awaited diplomas at commencement in the gym.

After three months of hard work, the class of 1963 proudly staged their riotous "Anything Goes" Senior Capers.

Silver keys, plaques, trophies and certificates were awarded to students who had excelled in many different ways during the school year at the May Honors Assembly.

Students received their yearbooks on May 29 and hundreds of Torches were taken to the annual signing party.

The last days of final exams were the longest of the year, especially for seniors who both anticipated graduation exercises and were a little nostalgic.

*Dave Klenwin and Margo Guerrero look down into a foaming pool of dry ice as they make their way over the ivy-colored bridge that led to the Senior Prom, "Island in the Sky." The bridge and*

*pagoda were constructed in the patio and led through the glass doors into the oriental cafeteria. Live tropical plants and birds added to the jungle atmosphere.*

## Srs. Had "Island in the Sky," Jrs. "Imagination"

Couples traveled over an arched bridge and through a Japanese pagoda to this year's memorable oriental Senior Prom, "Island in the Sky." They were announced as they arrived on the "island," made realistic with hanging ivy and caged birds. The low, blue ceiling was studded with silver stars, and an angel-hair cloud rested in the center of the dance floor under a bright Oriental lantern.

Strolling under the striped awning entrance, couples were surprised to find the class of '64 had not created a typical romantic prom.

While horses rotated on a carousel, the crepe paper big top covered the festivities. Zoo animals gazed from pictures on the blue paper walls and had as much fun as the people did.

## Seniors Invaded University for Fun-Filled Day

# New Crowns Inspired an Ice Palace Torch Ball

Following a surprise act with Mike Cartwright was former Torch King by last year's lovely queen Sarah Smith Williams.

Silver crowns studded with blue jewels first crowned TORCH Queen Connie Graham and King Mike Cartwright at "Ice Palace," the seventh annual TORCH Ball.

Held on December 22, the Ball was regally complete with castle turrets, thrones and two small crown bearers.

Glittering snow flakes and blue Christmas tree lights illuminated dancing couples as CHS's camera club photographed other couples in a booth.

Just as the blue velvet was lit the Torch Queen Connie Graham and King Mike Cartwright were off to dance.

New silver crowns studded with blue jewels were the main attraction of this year's Torch Ball. Following the four Torch royalty

and dates in a procession the length of the stage floor were two bearers A. K. Cupboard and Ricky Johnston.

After a long day of marching, these pep leaders paraded for a while on the street with their school spirit. Some of the girls were wearing their school spirit.

Some of the girls of the over time parade were wearing their school spirit. Some of the girls were wearing their school spirit.

## Rodeo Week Had Wild West Dress, Dance, Parade

Moccasins, spurs and girls in squaw dresses and jeans could be seen as Rodeo Week (February 17-24) dawned at Catalina.

The colorful season lasted for three days and ended with a flourish at Wednesday's at school Rodeo Dance. Here couples could obtain "hitching licenses" (good until the dance ended at 12:00) from the "marriage bureau," an old-fashioned buggy in the center of the floor. A live hanging was staged during the band intermission.

School recessed Thursday as the Trojan band, pep leaders and other assorted characters portrayed the famed Cartwright family, marching to the music of "Bonanza" in the Rodeo Parade.

Last year's Rodeo Queen, Connie Gillespie, surprises her successor, Lauren Studin, with a bouquet of carnations.

"String 'em up!" roared the crowd as the band stage doubled as a gallows for Rick Barrett to help with the Rodeo Dance hanging.

# Bucks and Does Romped Through Dear Season

## Belonging Glow Illuminates Objects

In the glow of belonging, inanimate objects  
take on a significance all their own  
gavels that are never loud enough to silence the  
chatter . . .  
skis that spend more time on grass than on snow . . .  
pins of all shapes adorning jackets, skirts and  
sweaters . . .  
tables holding the language club dinners where  
everybody speaks English anyway  
plumes bouncing on the hats of the marching  
band  
pencils taking notes that usually "stand as re"  
photos, rulers and line gauges strewn all over the  
Torch and Trumpeteer offices  
podiums supporting speakers' notes  
instrument cases that are the wrong size to put  
anywhere  
candles at National Honor Society Initiations . . .  
boxes filled with food for the Girls League box  
supper  
cases of candy bars sold at lunch  
badges that give monitors the right to stop students  
in the halls  
jackets with big blue "C's" on them

# TORCH Staff Rushed Daily To Meet Deadlines

EDITOR-IN-CHIEF—Jan Cetty

Learning to interview a teacher, to schedule a picture or to type a sports story are all typical for a day in the life of a TORCH staffer.

At deadline time everyone wishes for a scooter, their very own typewriter, shorter copy and more time. But the deadline is always met, even if these wishes are not.

All of these annual headaches were rewarded when the '61-'62 Torch won first place from the Columbia Scholastic Press Association and first from the National Scholastic Press Association.

Planning the Torch Ball and then decorating for it was strictly an extracurricular activity. Another extra this year was the trip to Arcadia High School to the Arizona Scholastic Press Association convention.

The summer supplement was started when the last pages of the Torch were sent to the printers. Seniors are the only ones who work on the supplement because underclassmen have to start on the 1963-64 Torch so that it will be well on its way to the first deadline.

*Journal of Interpersonal Violence*

Abstract: This paper presents a new method for the automatic detection of the onset of a seizure. The method is based on the analysis of the EEG signal. The onset of a seizure is detected by the analysis of the power spectrum of the EEG signal. The power spectrum is calculated by the Fast Fourier Transform (FFT) method. The power spectrum is then analyzed by the method of the moving average. The onset of a seizure is detected when the power spectrum shows a significant increase in power. The method is applied to the EEG signal of a patient with epilepsy. The results show that the method is able to detect the onset of a seizure with a high degree of accuracy.

It has been a record-breaking year of awards and honors for The Trumpeteer, Catalina's weekly newspaper.

Setting the national standard, The Trump was awarded The American Newspaper Publishers Association's 1962 top honor Pacemaker Plaque for being one of the five best high school newspapers in the United States. The award was presented Thanksgiving week-end at the National Scholastic Press Association convention in Chicago and accepted by Trumpeteer Feature Editor Lynda Cuqua.

For the fourth consecutive semester, The Trumpeteer obtained an All-American rating from The National Scholastic Press Association.

Entering the National Newspaper Service competition for the first time last year, The Trump won an A+ Merit Score.

International Honor Awards, the highest presented by the National Quill and Scroll journalism honorary, also. Two special Quill and Scroll George H. Gallup awards have been presented to The Trumpeteer for sustained leadership over the years and exceptional service to school and community.

Part of The Trump staff was invited to help publish Tucson's November 1 morning newspaper, The Arizona Daily Star. From four p.m. until midnight Halloween night, Trumpers covered police and city beats, wrote stories and headlines, read copy and checked weather reports.

# Catalina Band Captured Seventh Superior Rating

For the seventh year in a row, the Catalina Trojan Band received a superior rating at the University of Arizona Band Day. Participating in the program on the football field were 80 members of the Trojan marching band. The October 27th performance also featured baton twirler Zita Tairz and the CHS pom-pom girls.

On January 23, the annual Band Festival was held in the CHS gym. Musicians were picked from the two District No. 1 high schools with 27 from Catalina.

In addition to concerts, the band plays regularly at pep assemblies, all football games and home basketball games.

# Provided Members Musical Thoughts All Year

OFFICERS: John A. Murphy, Sharon Murphy, Jack Smith.

Each fall, winter, and spring concert provided CHS orchestra members with musical thoughts all year.

On October 23, the orchestra participated in the Fall Concert along with the Dardanares and vocal groups in the auditorium. Two movements from "Moorish Suite" by Gustave Holst, Maurice Ravel's "Pavane", and a comedy number "Fiddle Faddle" by Leroy Anderson were played.

Conducting at the February 5th orchestra concert were Charles Webb and Max Brillhart. Playing one movement from Mozart's violin concerto and clarinet concerto were James Upman and Tom Tappan, respectively. "Lohengrin" by Wagner was presented and the strings section featured a German number, "Eine Kleine Nachtmusik" by Mozart. The last piece was the score to the "Sound of Music" by Rodgers and Hammerstein. All pieces went to the orchestra's splendid account.

In the spring, the annual Patio Concert was presented on May 14 and 15. The orchestra was under the stars, sheltered from the wind and facilitated by the fine acoustical qualities of the patio.

Conductor: Max Brillhart  
 Assistant: Charles Webb  
 Violins: John A. Murphy, Sharon Murphy, Jack Smith  
 Violas: Tom Tappan, James Upman

## Select A Cappella Choir, Ensemble Attended. . .

[illegible][illegible][illegible]

Members of the A Cappella Choir participated in the Christmas program held in December.

CHS CHOIR Front Row: Cheryl Taylor, Ann Williams, Connie Sayers, Cathy Sykes, Mary Ann, Sue Neidermeyer, Carol Ador, Mary Jane, Susan Bick, Sandra Rose, Stacy Elmer, Lisa Martin, Margaret, Pamela Wasley, Susie Bennett, Lee Carmichael, Peggy Ervin, Ann Dawson, Mary Griffin, Jane Chapin.

Back Row: Linda Stiles, Kim Robertson, Ruth Rose, Sharon Turner, Joyce Luck, Kathy Victor, Cathy Woodruff, Peggy Jenkins, Debra Lutz, Susan Hesk, Sandy Stewart, Sharon Bykerk, Roberta Thornton, Pamela Williams.

## Girls' Choirs Taught by Two Studying Directors

There were two girls' vocal classes this year, one taught by Harold Porter and the other by Lyneer Smith, both of whom are teaching half a day while they are obtaining their doctorates at the University of Arizona.

Mr. Smith is new to Catalina this year. He has lived in Tucson for three years, one of which he spent teaching at the University of Arizona.

Any girl who is interested in vocal training may join the Beginning Choir. This group's activities included the Christmas program and a request performance for the Pennsylvania Club's Christmas party.

Those girls who are successful in the Beginning Choir may join the Advanced Girls' Choir which is made up primarily of sophomores. This year they sang in the Fall Concert, Christmas Program and the U. of A. Regional Festival. Among their other performances was a voluntary program of Christmas carols at St. Mary's and St. Joseph's Hospitals during the holiday season and a joint program with Rincon High.

Lyneer Smith, who graduated from Brigham Young University in Utah with a Master's degree and is new to Catalina this year, leads the Girls' Choirs.

## Boys' Glee Club Gave 3 School Performances

After school, Max Brillhart, accompanies Glee Club members Steve Nielsen, John Graves, Tom Fredericks and Keith Lewallen.

The Boys Glee Club, which is directed by Max Brillhart, sang in the major school musical programs. Their performances included the Fall Concert, Christmas Program, and Patio Concert.

Approximately 20 boys at Catalina sang in the Boys Glee Club this year. Most of the boys were underclassmen, but there were a few seniors in the group. Any interested boy is eligible to join the Club and many of them later join A Cappella Choir.

Following the direction of Max Brillhart, the Boys' Glee Club sings in harmony at a music program.

**BOYS' GLEE CLUB**—Front Row: Barry Sundermeier, Joe Blaken-ship, Steve Nielsen, Pat Hogan, John Graves, Gregory Kopex, David Tucker. . . Second Row: Dale Smith, Tom Ford, Keith McKelip, Andrew Salome, John Graves, Keith Lewallen, Don Dodgson.

# National Honor Society Sold Candy and Tutored

Casper Crouse, president

Tom Wilson, secretary

At Christmas time, National Honor Society members sell candy to the student body to raise money for AFS. Year around, they provide tutoring services.

Scholarship, leadership, character and service—these are the precepts of the National Honor Society.

To be considered for membership, candidates must first have at least a 1.8 grade average. They must be recommended by each of their teachers, and then be selected by a faculty committee.

An initiation assembly is presented by the members of the society, where new members are accepted and, in the spring, their activities are announced.

Richard Seltzer, treasurer

Tim Carpenter, advisor

Miss Betty Jones, advisor

At the National Honor Society initiation, Daniel Schurig receives a certificate from Mr. Quetle, assistant principal, and Tim Carpenter presents a certificate to Tom Capster.

## Blue Jacketed Lettermen Ushered, Raised Funds

Lettermen Melvin Coats and Betty Bremond twist to the music of the Dimensions under blue lights at the annual Lettermen's Dance.

Boys wearing heavy blue and white jackets with a letter C on them are undoubtedly Catalina lettermen. These boys proudly wear the letters that they have earned in a major sport. The letters also qualify them for membership in the Lettermen's Club.

Actively serving their school this year, the Lettermen's Club ushered at athletic functions, distributed football programs, and purchased movie film for the new sound track camera.

Members also helped collect funds for the Peanuts for Polio Drive.

The group held a dance after the Rincon basketball game on January 11th. A live band, "The Dimensions," provided music under the glow of blue lights. Highlighting the evening was the crowning of the lettermen's queen, Ing-Britt Linderos. The foreign exchange student's attendants were Nancy Cooke, Barbara Culin, Kathy Hanson and Sharon Hawke.

## Kick-Off Mixer Is Annual Girls League Success

At the September orientation tea, freshmen girls have their punch glasses refilled by Girls League Council members.

One of the first things Trojans hear about when they enter Catalina in the fall is the Girls League Mixer. This is an annual back-to-school dance and the club's first project of the year.

Also held in September were a fashion show where Girls League members modeled both hilarious and proper attire for school and dates, and a coke party to acquaint freshman girls with the club.

At the October meeting, the club made favors for the Children's Hospital, and at the November meeting, the annual Dad and Daughter box supper was held. All the proceeds from this affair were donated to the American Field Service.

Other monthly meetings featured speakers and entertainment, while the League presented another fashion show Valentine's evening.

The fall State Girls League Convention was held in Scottsdale and in March a busload of members traveled to Mesa to represent Catalina at the spring convention.

Getting into the spirit of the dance, the three boys in front of the South Side High School Gymnasium. From left to right: Mike, John, and Andy.

# Thespians Performed for Underprivileged Children

At Christmas time, Catalina's chapter of the National Thespian Society traveled to the Arizona Deaf and Blind School, Comstock Hospital and the Children's Home to present three children's plays.

Members also purchased props and settings for the drama department as part of their service projects.

As part of regular activities, the club helped produce three plays—"The Reluctant Debutant," "Medea," and "Jenny Kissed Me."

Thespians also joined with speech students to participate in many speech meets throughout the year.

Honor and service are the pillars upon which the National Thespian Society is built. Because it is an honor to belong, students are elected on the basis of interest and accomplishments in stage crafts or the drama department.

At a special dinner ceremony during second semester, 10 new members were initiated into the National Thespian Society.

**THESPIAN SOCIETY**—*Front Row:* Vicki Lawler, president, Bonnie Schroeder, vice-president, Lynn Ford, treasurer, Kate [unclear]. *Second Row:* Sherry Koberg, Lewis Sanders, [unclear]. *Third Row:* Ann Bremond, Allyn Hansen, Vicki [unclear], Genette Clue, Janice Price. *Back Row:* Betty Bremond, Bette Detman, Linda Weisband, Barbara McIntosh.

*Debutant, a December to first play of the year presented by the drama department*

## 'Festive Fall Fashions' Were Displayed by DECA

Presenting "Festive Fall Fashions" was a main activity of Catalina's Distributive Education Club this year. All clothes were modeled by students from various Tucson high schools. Held on November 21, the affair also featured a dance afterwards. The dance and fashion show were both held in the Rendezvous Room of the Santa Rita Hotel. Proceeds collected went into the national DECA scholarship fund.

Other activities included a delegate leadership conference and a spring conference.

Out of 400 DECA members in the state, some 250 attended the third annual Arizona DECA Banquet on March 23 in Phoenix. The delegates assembled for talks and presentations of the year's awards.

To be eligible for membership in DECA, a senior must receive on-the-job training in a store or business office "classroom" and be enrolled in a distributive education class.

*Barbara Neumer dusts a statue in Cheri's, a flower shop where she worked as part of the Distributive Education program. DECA students have a business class and three regular classes, then leave school to work at a job. Catalina's club was honored by having its historian Barbara, elected the state DECA historian.*

## International Club Had AFS Drive, Assembly

INTERNATIONAL CLUB OFFICERS—Front Row: Jann Warr, President; Ruth Wheeler, Vice-President; Glenda Garland, Secretary; Penny Spier. Back Row: Mrs. Fisher, Adviser; Dan Shaw; Ing-Britt Linderos.

International club sponsored the American Field Service drive in February to raise money to pay for a foreign student's passage to America. The club also handled the AFS assembly in March in which the exchange students from each school in Tucson participated. The foreign students gave a short talk of their country's dating customs, family life and school activities.

The big social event of their year was the International Dinner which featured food from various countries brought by club members.

Meetings of the International Club featured speakers, reports or discussions of a country and its customs.

Foreign exchange students Ing-Britt Linderos and Masud Ghani were automatically members of this club and added much to the discussions on Sweden and Pakistan.

Collecting stamps to send to Germany to give Berlin children a happy vacation was International Club's main project last year. This year they helped a Cuban family and in the future they hope to be able to adopt a child by helping support him.

She takes a tumble but gets up smiling. Diana Perry is representative of the almost 50 ski club members who had fun

on skis whether it be a Saturday morning or a week-end trip to the Mount Lemmon lodge.

## Too Much Snow Postponed First Ski Club Trip

**SKI CLUB OFFICERS**—Front Row: Robert Treat, adviser; Vade Phillips, secretary . . . Back Row: Suzy Simpson, vice-president, Fred Hinricks, president

January 12th was the first snow on Mt. Lemmon this year, but a ski club trip was postponed because there was too much snow and the roads were impassable.

However, members bounced back from that disappointment when they were promised a skiing weekend in Flagstaff at the Snow Bowl.

The "desert skiers" hold meetings all through the year and usually see a movie featuring certain techniques or ski slopes in different parts of the world.

Also, two dry-land ski lessons are required for every member before taking to snow and students are often seen on Saturday mornings sliding down grassy hills on campus.

Since last year, four pairs of skis and 22 pairs of boots have been added to the club's set of equipment. Yet there is still a shortage and most members must rent their equipment from the Mt. Lemmon lodge if they don't own their own equipment.

## Inter Nos Latin Club Was Initiated in Sheet Togas

An election of new officers and inauguration of new members in sheet togas conducted by old members were the first activities of CHS's Inter Nos Latin Club this year.

Other activities included a program in which slides of last summer's National Junior Classical League convention were shown by past club president Kelly Johnson and the annual Roman Banquet.

Also, Catalina was again represented by members of Inter Nos at the Arizona Convention of the Junior Classical League held at the University of Arizona for the third consecutive year.

LATIN CLUB OFFICERS—Ellen Contes, president; Marie Conley, president; Dianne Fleming, secretary; Kenneth Kuseman, treasurer.

## Wienerschnitzel Was Featured at German Banquet

Wienerschnitzel, a German pork chop with egg fried on it, sauerbraten and folksongs all added authentic atmosphere to the annual German Club banquet, held this year at Guendalsbergers' restaurant on March 2.

In November two boys who had lived in Germany

showed colored slides of the countryside and native people to the club.

Some of the more advanced German students who are in the club have pen pals in Germany and find this a good way to learn about Germany.

GERMAN CLUB Front Row: Newton Don, treasurer; John Newton, president; Mr. Anderson, advisor; John Newton, advisor; John Newton, advisor.

## El Cid Banquet Highlighted Spanish Club Year

A banquet in honor of El Cid was the biggest event for the Spanish Club this year. The banquet was held in November at Midway Manor's Restaurant. Everyone enjoyed the Mexican food and the Spanish atmosphere while Leana Castro spoke on Cuba.

Club El Cid is made up of all the members of Miss

Otto's fourth and seventh period advanced Spanish classes and each class elected their own set of officers. Other people could join the club but the regular meetings were held during these two periods and conducted entirely in Spanish.

SPANISH CLUB OFFICERS—Back Row: Rocky Wedel, treasurer; Cindy Lee, treasurer; Kay Boyd, secretary.

Miss Mary Otto, adviser; Katie Friedman, vice-president; John Carter, vice-president; Tom Goodman, president.

## Future Teachers Watched Classroom Procedure

Observing classes being taught at an elementary, junior high or high school of their choice highlighted the year for many Future Teachers of America.

Two speakers gave short talks on what their first year of teaching was like at the initiation and installation of officers in December. In January, Dr. England spoke to them about the deaf center. Also, two girls from India who are attending the U. of A. spoke to the club.

FTA members got to talk with other future teachers at the city-wide banquet and the state convention at Flowing Wells High School.

Social events of the year included a Christmas party and a swimming party at the end of the year.

FUTURE TEACHERS OF AMERICA OFFICERS—Front Row: Martha Prentiss, secretary; Mary Grace Young, publicity chairman; Charlotte Kiddoo, president . . . Second Row: Chris Jensen, vice-president; Jamie Price, treasurer; Glenda Garland, historian; Miss Carol Lauer, adviser.

## FHA Activities Aimed 'Toward New Horizons'

"Toward New Horizons" is the motto of Future Homemakers of America. Some of the CHS club's activities carrying out this theme, were sponsoring an orphan overseas and having an international dinner. Other activities were the Newcomers Tea, FHA Week, Folk Sing, and a pageant. The FHA District Convention this year was held at Catalina, while the State Convention for Future Homemakers was at the University of Arizona.

Future Homemakers' clubs promote a growing appreciation of the joys and satisfactions of homemaking, emphasize the importance of worthy home membership and encourage interest in the home and community. Clubs also try to help improve family relationships while promoting good will, and foster creativeness and leadership as well as further interest in home economics.

**FUTURE HOMEMAKERS OF AMERICA OFFICERS—**  
*Front Row:* Janine Davison, state president, Sherryn Marshall, secretary . . . *Second Row:* Dorrie Popovich, treasurer, Deanna Rutajzak, chairman of public relations . . . *Back Row:* Sandy Culmour, vice-president, Chris Jensen, president.

## Future Nurses Visited, Listened, Then Served

The Tucson Medical Center Laboratory and St. Mary's Hospital physiotherapy facilities were visited by the Future Nurses and Medical Teammates Club this year. The club also went on a combination field trip-lecture at the U. of A.

Featured speakers at the monthly meetings were Miss Lee Crosby, physiotherapist and Miss Joanne Rodier from the U. of A.

Along with learning, club members offered service by giving a needy family a food basket and clothing as a Thanksgiving project and providing treats and carols for a Christmas party given at the McMahon Geriatric Home.

The club hopes to interest students in personal and community health and to help them decide wisely about professional or practical nursing as a future.

This nationally chartered club is open to CHS students who are interested in nursing or any of its allied fields.

**FUTURE NURSES AND MEDICAL TEAMMATES OFFICERS—**

# Red Cross Council Offered Gifts, Good Will

Awed with all the exciting happenings of the Christmas program presented by the Red Cross Council are the young boys and girls at the Christmas program. Here are the children who the Council visited as a project.

Children at the Tucson Nursery School were given gifts and a Christmas party this year as a Junior Red Cross Council project. Other projects were gift boxes containing toys and useful items such as soap and school supplies to be sent overseas, and scrapbooks of CHS and Tucson pictures to be sent abroad. Former projects of this kind have resulted in several American students writing to pen pals in foreign countries.

Extending service, promoting friendship with foreign countries and acquainting students with the Red Cross are goals of the Junior Red Cross Council.

The Council is chosen from a list of interested students by the previous council. Representatives elected from each of the homerooms aid the council.

ADVISER MRS. Louise Hemmeter

ADVISER Mrs. Ruth Pitzer

**RED CROSS COUNCIL**

## Trophy Symbolized Purpose of Quill and Scroll

By presenting the Journalists of the Year trophy to two most outstanding Torch and Trumpeteer staffers for the second year in a row, Quill and Scroll fulfilled its purpose, which is giving recognition to good journalists and inspiring others to work even harder.

Membership in Quill and Scroll requires outstanding work in publications for at least a semester and ranking in the top third of one's class. Prospective members must also be juniors or seniors and recommended by the adviser of their staff.

This year, for the first time, a screening committee consisting of two Torch staffers and two Trumpeteer staffers, was appointed to re-check names of prospective initiates which were sent in by advisers.

Mr. John G. Carlton, Quill and Scroll sponsor and Trumpeteer adviser, states "Catalina's journalists are well trained and have earned national awards to prove it. They deserve a great deal of recognition and this organization is determined to provide it."

"How about a follow-up on this week's 'lowering graduation requirements' story?" suggests Trump copy editor Judy Hawick as she helps managing editor Ira West with an idea for an editorial as a printer's deadline rapidly approaches.

## Bi-Chem-Phy Managed Science Fair Production

Sponsoring the Catalina High School Science Fair was the primary project of the Bi-Chem-Phy Science Club. The fair was held on March 20 and was followed by the Regional Science Fair at the University of Arizona, to which winning CHS entries were taken. The National Science Fair was held in Albuquerque, New Mexico.

Bi-Chem-Phy also helped the Honor Society sell candy.

Bi-monthly meetings featured speakers from the Traveling Science Institute of the Arizona Academy of Science. Many varied topics were covered in order to provide something of interest to everyone—for example there were talks on: four dimensional mathematics, trends in science, poisonous animals of Arizona.

**BI-CHEM-PHY OFFICERS**—Mike Cabat, committee member; Jane Orient, vice-president; Richard Saltus, treasurer; Nancy McDonnell, secretary; Casper Crouse, president.

## Pages Belong to State, National Library Assn.

Sponsored by librarians Mrs. Emily Griggs and Mrs. Luanne Scheuerman, the Pages is a local chapter of both the State and National Library Associations.

The club's activities this year included a Christmas party, a spring party with other Tucson library clubs and participation in the state convention at Phoenix Union High School in March.

Those students who give their time and energy by helping in the Catalina Library belong to the Pages.

The student librarians usually spend one period a day working at the circulation desk, shelving returned books, preparing new books for use and handling all the student passes.

"We really appreciate the work that has been done by the Pages this year," says Mrs. Griggs, "and we would like to have even more student librarians next year."

**LIBRARY CLUB OFFICERS**—Judy Mack, president; Lori mae French, treasurer; Diane Schwartz, secretary; Glen Thurston, social chairman.

# Service Council Program Initiated 50 Members

*"It's really my ring!"* cries Diane Rose as Barbara Haberbush and Pam Poudexter wonder what the decision of hall monitor Jon Holstrom will be.

**SERVICE COUNCIL OFFICERS**—Jim Berger, president; Cathy Lemley, secretary; Barbara Culin, vice-president.

This year over 50 students were installed in Service Council's candle-lighting initiation ceremonies.

Members participated in the Christmas Community Center's drive by donating toys and non-perishable food to Tucson's needy people. The group also sold Christmas cards to assist in The Cystic Fibrosis Drive.

Anyone who has given 25 or more hours of service to Catalina or the city of Tucson, without financial compensation, is eligible for membership in Catalina's Service Council. This club, which is one of the largest in the school, is made up of hall monitors, nurses' aids and office workers.

Office worker Jon Acken files an absent slip during seventh period when he is in office practice.

# Dardanaires Graced Concerts, Dance Program

Dardanaires peer through the looking glass a routine for their presentation.

Performing to music from the stage play "Camelot" the Dardanaires reenacted the days of King Arthur's Court at the October 23 Fall Concert.

Sponsored by the Tucson Contemporary Dancers, the Dardanaires attended the Young Choreographers Concert on February 15 at T.H.S.

March 12 was the night of "Dardanaires Present" a program which included a number of original choreographies. In order to interest a variety of people, different dances, moods and music were presented.

To be eligible for spring Dardanaire try-outs, a girl must be a sophomore or junior and have at least a 2.5 average.

## Gymnasts Were in City's First Legalized Meet

Catalina's Girls' Gymnastic Club participated in the first legalized girl's gymnastic meet on February 16 at Palo Verde High School. All Tucson high schools were asked to participate with awards going to individual schools.

Catalina's team sponsored a variety show. Anybody could enter an act or routine in any type of gymnastic event or free exercise. Girls in the club sold tickets for the show and donated the money to a worthy cause.

Starting meetings in December, the club met every Monday for two hours.

The club is a selective one. In order to be eligible, you must qualify in any of four events. These events are trampoline, parallel bars, horse and balance beam.

Prospective members practice for a month and then make up and perform a routine of stunts and exercises in one of the four events.

**GYMNASTICS CLUB**—*Front Row:* Miss Lois Weber, adviser . . . *Back Row:* Jill Hart, secretary-treasurer; Gail Bradley, president; Anita Russo, vice-president.

## Pirouettes Danced For, Instructed Jr. High Girls

Performing at the Dance Symposium, held here at Catalina in connection with the annual Junior High Volleyball Playday, was the main planned and executed activity of the year for the Pirouettes. Instructed by Mrs. Maxine Tovrea, the girls' modern dance group performed for junior high girls who came to take a model lesson in modern dance.

During the second semester, although they did not have regular meetings, the Pirouettes participated in the Spring Variety Show.

The members of this freshman and sophomore group met once a week in the first semester for instruction and for practice during the second half of the year.

Any girl who is interested in modern dance, regardless of her previous experience, may join the Pirouettes. Many of the girls who belong to the club later join the advanced dance group, Dardanaires.

**PIROUETTES**—*Front Row:* Marty Mikkelsen, Connie Sayers  
*Second Row:* Valerie Boyd, Sonya Adler, Stevie Sullivan, Sharon Bykerk, Kathy Brattain, Janne Hart . . . *Back Row:* Jo Cline, Dianne Spruill, Darleen Berry, Nan Crox, Linda Wheeler.

## Girl Archers Held Saturday Practices, Tourneys

From November to March, Catalina girls met each Saturday morning to master the art of archery.

Besides weekly practicing and hosting an all-Tucson high schools meet for "fun" shooting, Archery Club members participated in the U. of A. tournament on March 16. A week later Trojan archers attended the A.S.U. Archery Tournament in Tempe.

Archery competition is divided into three classes. Class A shoots from the 30, 40 and 50 yard lines. Class B shoots from the 20, 30 and 40 yard lines and Class C shoots from the 20 and 30 yard lines.

All entries in tournaments compete in a clout shoot—a replica of an enlarged target face that is marked on the ground 80 yards away. Then archers shoot into the sky so that their arrows land within the target area. The clout shoot is scored in the same manner as target archery.

According to Miss Emma Cappelluzzo, Archery Club adviser, "One of the values of archery is that it enables the individual to compete against himself, and therefore improvement becomes a personal achievement."

Ready aim fire! Catalina girls bow. They practice weekly to keep their aim straight and insure a winning number of bulls-eyes in competition with other Arizona schools.

## Weightlifters Make Use of Well-Equipped Room

One of the largest and most informal clubs at Catalina is the Weightlifting Club. Members are all boys who wish to use one of the best equipped weight rooms in any high school in the United States after school under supervision of one of the advisers.

There are three lifts used by the members, the first being the press. In this lift, the barbell is raised to the shoulders and then lifted over-head without bending the knees.

The next is the snatch, a lift in which the barbell is raised over-head in one motion by means of a squat or split.

The last lift is the clean and jerk, in which the barbell is first raised to the shoulders by a squat and then jerked over-head by using a split.

Weightlifters are classified at Catalina by the total poundage they accumulate in these three lifts and charts posted in the weight room list the totals of all club members.

In May, members held an intramural weightlifting meet and also a meet with the U. of A. weightlifting team.

Straining to complete a barbell clean and jerk lift, Bill Hishel works at weight-lifting after school while John Norris watches him.

# Forensic League Enjoyed Competition and Trips

Competition, trips, parties and programs kept National Forensic League members busy this year. Competing in the state of one speech contest and another in drama and oral interpretation contests at the U. of A. and a tournament in Flagstaff. The women won many awards for Catalina.

As the year drew to a close, the League held a barbeque. Students, parents and friends got together. At club meetings, a speaker often headed the program and several groups of interested students from the University gave a reading.

Formed to reward and help students who work in oratory and oral interpretation, NFL is the only high school forensic honorary that is also nationally recognized on the college level.

In order to join the club, a student must earn 25 points in competition and must have at least a 2.5 grade average.

*Forensic League members at the University of Arizona, Flagstaff, Arizona, competing in the state of one speech contest and another in drama and oral interpretation contests at the U. of A. and a tournament in Flagstaff.*

**FORENSIC LEAGUE** Front Row: Mary Ann McLean, Linda Bower, Susan A. Hart, Watson, Jeff, Gary Carter, Tom, Steve, Brian, Jeff, Chris, Steve, Roy, Tom, Neil, Cheryl, George, Ed, Park, Steve, Frank, Roy, Russell, Liz, Harriet. Back Row: (from left) Tom, Steven, Susan, and

so, Dore Popovich, Jane Orient, Jeff Hampton, Brooks Wadsworth, Buck Row, Judy Harwick, Dan Shaw, Bruce Melick, Harry Watson, Tom Tappan, Tom Wilson, George Comeveaux.

# Safety, CD Clubs Merged to Avert Crisis at CHS

This year the Safety Council and the Civil Defense Club merged into what is now called Catalina's Safety Council.

During the October Cuban crisis, the Safety Council decided to undertake a vital civil defense project for Catalina students. The project required putting shoeboxes (containing at least four cans of food, water, cation tablets, bottles of vitamin pills and aspirin, personal medical items) into their lockers for use in case of nuclear attacks. In addition, the council tried to promote a general feeling of security around Catalina.

Because of their sound ideas and efforts, the Tuesday Civil Defense Agency has praised the council for this year's work in the CD affairs.

Catalinians were receiving too many driving tickets. Safety Council members undertook a project of placing stop signs at all school ground exits. To promote traffic safety, the council put "Slow down and Live," stickers on student cars.

**SAFETY COUNCIL OFFICERS**—Front Row: Sharon Byrnes, secretary; Clyde Phillips, adviser; Linda Bowman, treasurer. Back Row: Gary McClure, vice-president; Alan [unclear].

Disputing a stop sign at a Catalina exit, Safety Council members Linda Bowman, Gary McClure, and Clyde Phillips.

Disputing a stop sign at a Catalina exit, Safety Council members Sharon Byrnes, Alan [unclear], and Linda Bowman.

## Photography Club Hosted City-wide Photo Show

Catalina's Photography Club was the host for the annual city-wide photography show on March 1 and 2 which featured displays of pictures from different parts of the United States and Arizona by professional photographers and by various high school students. On the 1st, Ray Manley showed slides and gave his lecture "Around the World With Ray Manley."

Most large dances featured the club's photo booth.

Members heard many interesting speakers monthly. Mickey Prim spoke on advertising, Ted Offret on movie taking, George Kew on composition and Robert Gaines on portraiture.

Dues and dance photo booth proceeds were used for buying photography equipment and materials.

PHOTOGRAPHY CLUB OFFICERS—Terry Towner, vice president; Tom Eglin, president; Laurie Marvel, secretary; Jim McHenry, sergeant at arms; Robert Dawson, adviser.

## Repairers, Future Electricians Never Lack Work

Members of the Radio Club always have plenty of material on hand to work on. This small but active organization fixes their own radios, those of their neighbors and even Catalina students' car radios.

Meeting after school and in the evenings, members are able to make use of school equipment and tools but must buy any special parts that are needed for repairing their own or others' radios.

There is a demand for more and more electricians with a rising pay scale in this field, in the accelerated pace of today's society. Radio Club offers those interested and willing to learn valuable experience in electronics, which may prove useful as a career, hobby or in just do-it-yourself work around the house.

As a long-range project, the group has the goal of establishing an amateur radio station at Catalina.

RADIO CLUB OFFICERS—Tony Veinup, president; Robert Shaub, secretary-treasurer; Gary Perry, vice president.

# Color Kaleidoscope Typifies Sports

Standing at kick-off, going to a pep rally,  
fighting for Catalina as a member of a team, watching  
a player get the tie-breaking home run or basket—  
these things are important part of school life

At sports events we see a kaleidoscope of color:  
white tags saying "Go Trojans"  
brown mud when the rains come before the football  
game .  
blue confetti thrown around the bleachers  
pink faces flushed with excitement .  
rainbow shades in the stadium . .  
yellow floorboards in the gym  
tan flash as the basketball bounces by  
red faces when our team fouls  
black hands of the clock as time runs out  
blue derbies tossed in the air after a victory . . .  
navy blue mats at gymnastic meets  
green baseball diamonds  
gray steel spikes on golf shoes .  
gray concrete of tennis courts  
beige flurry of dust as the track team practices . .  
aqua racing lanes for the swimming team.

# FOOTBALL

## Trojans Post 4-6 Mark;

## Face Tough Opposition

Trojan gridmen opened their 1962 season hoping to break the jinx of winning more than they lose, but fate wasn't with them as they faced one of the toughest schedules in the history of the school. Half of the opponents they faced were among the top ten teams in the state, including 1962 state champs Scottsdale Arcadia and Tucson High. The Trojans gave it everything they had as they recorded a 4-6 mark for the second year in a row. Of the four victories two were upsets over powerful Rincon and Sunnyside.

Catalina's seventh football season ended with Trojan halfback Don Gabriel copping second-string All-City honors. Gabriel led the Trojans both in scoring and rushing. The talented 175 pound senior rambled for 550 yards in 128 carries for a 4.2 average, while scoring eight touchdowns and one PAT for 49 points. Another CHS halfback, Mike Cartwright, was right behind Gabriel as he gained 504 yards for the Trojan cause and contributed 48 points in hitting pay dirt eight times.

Catalina center Frank Knoop received an honorable mention on the All-City team for the only other Trojan to receive city honors. Craig Gillaspie was voted by head football coach John Criste and his teammates as the best defensive man for the 1962 year. Junior guard Jim Robinson was voted as the best blocker and senior tackle Dave Van Pelt as the most improved player.

Trojan guard Calvin Wood and fullback Craig Gillaspie were named co-captains for the 1963 squad.

# Trojans Win Opener Before Falling to Arcadia

Halfback Mike Cartwright comes to the end of a short run. Blue Devils bring him down.

## Trojans Shutout Vikings 27-0

Paced by the passing quarterback Ken Fox the Catalina Trojans opened the 1962 campaign with a 27-0 shutout victory over Phoenix Sunnyslope. The last score of the game came with 55 seconds left in the first half when Mike Cartwright snagged a Fox aerial on the Vikings' 38 yard line and galloped the rest of the way to paydirt. Fox connected with halfback Don Gabriel twice in the second half on scoring plays of 65 and 25 yards. Fullback Richard Whitman capped the Trojan scoring on a 2-yard plunge with two minutes left on the scoreboard.

## Arcadians Hand Catalina First Loss

Led by halfbacks Moose Rollins and Pat McGinty Scottsdale Arcadia proved to be too much for the Trojans to handle as Catalina lost their second game of the season 37-19. After McGinty returned the opening kickoff 80 yards for the first Titan score, Catalina bounced back on Mike Cartwright's 8-yard run that put CHS out in front 7-6. But two successive touchdown romps by Rollins of 42 and 2 yards in the second quarter broke the backs of the Trojans.

**Varsity Football Squad** Front Row: Mike Cartwright, Kenny Fox, Dave Uhler, Tim Ivner, Calvin Wood, Frank Kumpf, Jim Robinson, Dave Van Fleet, Jim Wong, Chuck Gallagher, Don

Gallagher. Second Row: Don Flores, Jerry Matthews, John Mauer, Ken Cartwright, Steve Miller, Ernest Sanchez, Ken Kaufman, Joel Davidson, Kurt Spans, John Norris, Richard Whitman, Jim Davis.

# CHS'ers Lose Next Two

## Fumbles Cost Trojan's Victory

Three fumbles by the Trojans was enough to give Salpointe a 19-7 victory in the first AA-4 contest for Catalina. The Lancer's took advantage of a CHS bobble on the second play from scrimmage and converted it into a touchdown and from then on were never headed. Catalina's lone score came in the second period when Lancer safety-man Charlie Gallegos fumbled a CHS punt in his own end zone and Trojan end John Norris fell on it for the score.

## Catalina Falls to Coyotes 28-19

A powerful Phoenix Union squad handed the Trojans a 28-19 defeat for Catalina's third loss of the season. The Coyotes, ranked among the top five teams in the state for most of the season, found themselves with a slim 14-13 lead at the end of the first half of play. Trojan halfback Mike Cartwright accounted for both Trojan tallies. CHS went ahead in the second half early in the third quarter when quarterback Ken Fox scored on a one-yard plunge, but the Coyotes scored twice before the gun sounded to take home the hard fought victory.

A Catalina Trojan player is blocked by a Phoenix Union player during the game.

Back Row: Coach John Crist, Coach Everett N. Felt, Bill Brown, Coach Ed Kane, Coach Joseph Neri, Coach Bronblossom, George Meza, Alan Bonney, Alan Pierce, Richard

Front Row: Bob Felt, Coach John Crist, Coach Everett N. Felt, Coach Ed Kane, Coach Joseph Neri, Coach Bronblossom, George Meza, Alan Bonney, Alan Pierce, Richard

Breaking through a large mass of opposing players, Trojan halfback Dan Flores gallops toward the goal line as he makes

the 6 to 7 yard breakthrough on the CHS field.

Senior halfback DON GABRIEL was leading ground gasser and captain of the team and All-City.

Senior quarterback KENNY FOX was the offensive quarterback this year and has been the CHS punter for two years.

## CHS Upsets Sunnyside

Even though the cards were supposedly stacked against the Trojan gridgers, they upset the Sunnyside Blue Devils 12-7 and pulled themselves out of a three-game losing streak. The Blue Devils, who were sporting a 3-0 record going into the game, never recovered after safety-man Dan Flores returned a Sunnyside punt 70 yards at the start of the third quarter for the first score.

The Trojans scored in the third period when halfback Don Gabriel tried a run from three yards out. Gabriel was hit hard at the goal line and fumbled. Trojan quarterback Ker. Fox fell on the ball for the touchdown.

Senior tackle TIM BURR also played defensive guard and participated in track this year his second as a letterman.

Senior tackle DAVE VAN PELT won the Most Improved Player award of the football team this year.

Junior end GEORGE GALLOWAY was used offensively and a defensive linebacker during this year.

Senior center FRANK KNOOP was also a linebacker and defensive signal caller. He also participated in track.

# Trojans Defeat Amphi Fall to Tucson, PHS

## CHS Shutout By Tough Tucson High

A tough Tucson High eleven, ranked as the number one team in the state, rolled over the Catalina Trojans 39-0. The powerful Badgers waltzed to their sixth straight victory without a defeat. The Badger defense was at its best as it held Catalina to only 64 yards rushing. The Trojans were only able to move as far as the 20-yard line twice during the contest.

Tucson rang up 33 points in the first half of play with Badger backs Lennie Don and Jimmy Williams supplying the scoring punch. The CHS line stiffened in the second half, holding THS to one score, but the Trojan offense couldn't put together a drive against the Tucson line.

## Trojans Roll Over Amphitheater 26-13

Led by Trojan halfbacks Don Gabriel and Mike Cartwright, the Catalina gridders romped over Amphitheater 26-13. Gabriel galloped for three touchdowns on runs of 55, 35, and one yards, while Cartwright scored the other CHS tally on a 8-yard run at the close of the first half. The victory moved Catalina's record to 3-4.

## CHS Loses Heart-breaker To Pueblo

A Pueblo Warrior PAT proved to be the winning margin as the Trojans bowed to the Warriors in a heart-breaker 7-6. CHS went ahead in the second quarter when Don Gabriel scored on a one-yard plunge, but Pueblo bounced back early in the third period and scored, followed by Warrior Ray Corral's winning extra point.

The winning margin came when the Trojans were called for pass interference on their own six-yard line. The penalty moved the ball half the distance to the goal line and gave the Warriors an automatic first down.

## SEASON RECORD

Catalina		Opponent	
Sept 14	27	Sunnyslope	0
Sept 21	19	Arcadia	37
Sept 28	7	Salpointe	19
Oct 5	19	Phoenix Union	25
Oct 12	12	Sunnyside	-
Oct 19	6	Tucson	39
Oct 26	26	Amphitheater	13
Nov 2	6	Pueblo	7
Nov 9	27	Rincon	19
Nov 16	7	Camelback	33

Senior halfback DON GABRIEL made second string All-City halfback and is one of Catalina's punt return specialists.

Senior halfback MIKE CARTWRIGHT was co-captain and won honorable mention as halfback for the All-City team.

Senior end DAVE UHLER also played defensive tackle this year, his second as a letterman. He is also on the track team.

Junior guard JIM ROBINSON is a first year letterman and won the Best Blocker Award of the football team.

Junior guard CALVIN WOODS lettered his first time this year and was elected co-captain of the team.

Junior fullback CRAIG GILASPIE won Best Defensive Man Award and was elected co-captain of the team.

1. The first step is to identify the key components of the system. This includes understanding the hardware, software, and data involved. The next step is to define the goals and objectives of the system. This involves determining what the system is intended to achieve and what metrics will be used to measure success. The third step is to design the system architecture. This involves creating a blueprint for the system that shows how the components will be connected and how data will flow. The fourth step is to implement the system. This involves building the system according to the design and testing it to ensure it works as intended. The final step is to maintain the system. This involves monitoring the system for problems and making updates as needed.

1. The first part of the paper is devoted to the study of the asymptotic behavior of the solutions of the system (1) as  $t \rightarrow \infty$ . It is shown that the solutions of the system (1) tend to zero as  $t \rightarrow \infty$  if and only if the matrix  $A$  is Hurwitz stable.

Klein's version of the third group of theories is that the  $S_2$  group is a subgroup of the group  $AR_{2,2} = 2 \text{Reo}(2)$ .

Trainer Richard Klein is known as "Dr. Tape" for his knowledge of injuries.

Kenny Fox is tackled by two Salpointe Lancers during a 17 to 19 defeat on the Lancer's field. Our only touchdown was a recovered fumble in the second quarter.

## Trojans Lose Finale

A Phoenix Camelback Spartan fullback by the name of Jim Bramlet was too much for the Catalina eleven to handle as they lost their final game of the season 33-7. Bramlet, who helped move the Spartan record to 8-1, scored twice in the first half on runs of 31 and 2 yards to lead his teammates to a 13-0 halftime lead. The Spartans, Co-Champions of the AA-3 Division, scored twice in the third quarter on runs of 10 and 15 yards to hold a 28-0 advantage going into the final period. Catalina's lone score came on a brilliant pass play from reserve quarterback Jim Davis to halfback Don Gabriel. The pass play covered 52 yards and kept the Trojans from being shutout. The other Camelback score came on a 47-yard run by Bramlet in the final period. Bramlet rolled up 230 yards rushing against the CHS gridgers. The Trojans completed the season with a 4-6 record, as the jinx of losing more than they win held on. It was this same Spartan squad that handed the Trojans a 7-0 defeat in the 1961 season finale and kept the CHSer's from their first winning season.

Linebacker George Canoung (33) and defensive safety Bob Bergen (14) down an Arcadia back as he charges between them.

## An Inexperienced Defense Holds JV's to 3-3-1

## SCOREBOARD

Catalina		Opponent
Sept 22	0	Rincon 36
Sept 29	7	Salpointe 43
Oct 13	27	Sunnyside 0
Oct 20	3	Fucson 33
Oct 27	13	Amphitheater 7
Nov 1	20	Pueblo 20
Nov 10	39	Palo Verde 6

An outstanding offense proved to be an asset in the success of this year's JVs. After the first two games, they averaged 27 points a game, and the defense greatly improved. Leading Catalina's JVs to a 3-3-1 season were Danny Chandler, halfback, Jeff Short quarterback, and Jeff Phillips, center. Five of the sophomore boys played the season on varsity.

The Trojans lost the Tucson High game by a score of 15-0, but the players performed their best in this game. States Coach Mel Vogel. An inexperienced defense hindered the JV's at the beginning of the season but excellent coaching improved the team greatly.

A lone Pueblo Warrior tries to run around the end as four of Catalina's Junior Varsity men crunch him for a short gain.

**Reserves teaching regular classes.** C. L. Kattar, c/o Allyn & Co., coach Catalina Island, Santa Monica Bay, Calif.

## A 3-4-1 Season Expresses the 1962 Frosh

Led by Ed Chapman, Jim Masimer, Mike Treece, Tyler Clement, Mike McGee, Roy Kyle, and Joe Mikkelsen, Catalina's freshman team ended the season with a 3-4-1 record. Coach Gordon Whitley said the team had an effective defense. Practicing daily for two hours improved the Frosh through the season. This year a Pee-wee team was again organized. This consisted of freshman players under 125 pounds. Tucson, Amphitheater, Casa Grande Junior High, Sunnyside Junior High, and Catalina had Pee-wee teams as compared with only three teams last year.

### SCOREBOARD

	Catalina	Opponent
Sept. 22	21	Rincon 12

Three of Palo Verde's Titans attempt to pull down one of Catalina's determined Fresh halfbacks during an exciting play.

Two members of Catalina's Freshman football team for the season—Benny Linkhart and Gordon Whitley.

# BASKETBALL

## Catalina Cagers Reign

### As State AA Champions

The 1962-63 Trojan basketballers turned out to be the best ever as they brought Catalina its first basketball championship in the history of the school. The CHS cagers marched to an outstanding season record of 16 wins and 2 losses and then reeled off four victories in the state tourney to reign as state champs. Under the coaching of first year mentor, Galen Kintner, the Trojans opened the season with four straight victories before losing to Tucson High. The Blue and White then rewrote the record books as they won their twelve games in a row before falling to West Phoenix in the final game of the season.

At the season's end, center Dick Chapel copped first string all-city honors, while senior forward Gordon Pixley was named to the second team. Three juniors received honorable mention on all-city. They were Jon Mustonen, CHS leading scorer, Craig Callaspie, and Terry Moe.

But it was far from over for Catalina as they defeated North Phoenix and Rincon in the interdivisional playoffs and advanced into the semi-finals of the state tournament. Then trouble struck as Chapel came down with the mumps and the Trojans were without the rebounding and shooting of their all-city star. But with the determination of the team and the coaching of Mr. Kintner the Trojans dumped Mesa and then came back the next night to defeat Phoenix South Mountain to snare the trophy — as 63 high school basketball champions.

# CHS Cagers Open Season With Four Victories

Out maneuvering two Phoenix Union engemen, Marc Stumpf (32) comes down with a rebound as Craig Gillaspie (14) looks on

The Catalina cagers opened the 1962-63 season with four straight victories, dumping Sunnyside, St. Mary's, El Dorado Verde, and Pueblo in succession and moved quickly to the top of the league standings. Against the Titans and Warriors CHS head cage coach Galen Kintner, was able to clear the bench using the whole 15-man squad. In the Pueblo clash the Trojans hit their season high in points as they collected 80. Trojan forward Jon Mustonen headed the scoring with 19 points, followed by center Dick Chapel at 15 and guard Craig Gillaspie at 11.

On January 4 the Blue and White invaded the Tucson gymnasium and met defeat, 59-47, for the first time this season. A capacity crowd watched Tucson's LeRoy Taylor and company knock the Trojans from the ranks of the unbeaten and into second place in the city standings. The next night the CHS cagers, behind the 13 point efforts of Chapel and Gillaspie, got back on the winning trail as they recorded their first upset of the year by stunning the visiting PU Coyotes 42-39. The win was not only the fifth in six games for Catalina, but it also started a winning streak that was to last for the next 12 games.

On January 11 Rincon invaded the CHS lair and were handed a 56-47 lashing. Chapel, Gordon Pixley and Mustonen all hit in double figures for the Trojans. The next night CHS dumped Salpointe 52-41. Amphi's "mighty midgets" became Catalina's next victim as Pixley blistered the nets for 23 points in the 67-53 victory. Mustonen followed with 18.

Forward JIM BLOUGH in his first year on the varsity squad is one of eight juniors on the team. Jim is also a member of the football team.

Guard JOE BRECK known for his ball handling has been a two-year letterman for the Trojans as well as letterman on the g.d. team.

Copping first team all city honors highlighted center DICK CHAPEL'S second year on varsity. Dick was the top rebounder for the Trojans.

Senior guard BOB DONALD enjoys flying air planes when he's off the basketball court. Bob is a two year veteran on the Catalina cage squad.

REID FLIENBURG, a junior guard, in his first year with the CHS hoopers also is Catalina's top broad jumper on the track team in the spring.

Guard **DAN FLORES**, a transfer from Carl Hayden, played defensive back on the Catalina football squad as well as lettering in track

Play-making guard **CRAIG GILLAN** averaging at a 7 point clip for the Trojans, was a great asset with his ball-handling

reserve center **GLEN LAMB** is a first year member of the team

forward **ALAN LINDBERG** finds winter skiing as his favorite hobby. This was his second year on the basketball team

Reserve forward, junior **JIM MANEVAL**, is one of the shortest members of the basketball squad at 5-9. Jim also competes on the track team

Junior forward **TERRY MOE** finding a starting role in his first year on the varsity was known throughout the season for his deadly jump shot

**JON MUSTONEN** led the Trojans in scoring for the season with a 11.5 average. Jon, only a junior, will be a great help to the team next year

Senior forward **GOL DON PIXLEY** playing in his second year of varsity basketball for CHS was named to the all-city squad

Swimmer and the favorite hobby of reserve center **MARC STUMPE** Marc headed the Trojan bench strength in his second year on the varsity.

The Tucson Daily Citizen coach-of-the-year, **GALEN KINTNER**, guided the Trojan cage men to a 20-2 record and the championship

## Catalina Goes on Twelve Game Winning Streak

The Sunnyside Blue Devils put a scare into the Trojans for the first three quarters but the Blue and White managed to come alive in the final period to record a 47-40 victory on the CHS court. On January 25 the Trojans notched their sixth victory on their current winning streak downing a game Palo Verde quint, 63-43. The next night Catalina traveled to meet Carl Hayden and came home with a 57-42 win. On February 1 Catalina whitewashed the winless Pueblo Warriors 70-41. On February 2 the Trojans made history as they brought the high-flying Tucson Badgers back down to earth as they handed them their first defeat in 34-games by a score of 44-43. The win, in front of a packed house in the CHS gym, put Catalina into a first place tie with THS in the city standings and re-vengeed the Trojans lone loss of the season..Chapel led

the scoring attack with 14 points while Pixley added 11

On February 8 the Trojans visited the Rincon gymnasium, and had to go in overtime for the first time of the season in defeating the Rangers 48-43. With the score deadlocked at 38 the Trojans went to work in the overtime period. CHS forward Terry Moe supplied the winning punch by tipping in a missed free throw by Joe Breck that gave Catalina a 54-43 lead

Catalina downed Salpointe, 58-45 and Amph 53-45 to move their win streak to 12 games. The Trojans watched their win streak snapped on February 16 as West Phoenix handed them a 88-72 loss. The defeat, second of the season for CHS, ended Catalina's regular season of play

# Cagers Cop Catalina's First Basketball Crown

As Craig Gillaspie screens a Badger guard Dick Chapel and Terry Moe complete the windup drill for another basket

The Trojan cagers opened the inter-divisional playoffs by quickly knocking North Phoenix out of the tournament by handing them a 57-40 defeat. The next night the Blue and White came through with their second win of the tourney by downing Rincon 52-38. Trojan center Dick Chapel, Gordon Pixley and Jon Mustonen all hit in double figures against the surprising Rangers

With two games under their belt Catalina advanced into the semi-finals. Playing without their all-city center Dick Chapel, who came down with the mumps, Catalina upset once-beaten Mesa 59-52. CHS playmaker Craig Gillaspie led the upset win by scoring 18 points. Then the next night in front of 3100 fans at the Palo Verde gym the Trojans copped their first state basketball crown by upending Phoenix South Mountain 48-44. The Rebels took a 9-8 first period advantage but the Blue and White bounced back in the second stanza to score 22 points and take a commanding lead at halftime of 30-19, and from then on it was all Catalina

Coach Galen Kintner and his championship squad were presented with the gold trophy, awarded to the 63 prep basketball champs, following the contest. More laurels were added to Catalina's list as both Terry Moe and Craig Gillaspie were selected to the first team all-tourney squad, while Jon Mustonen was named to the second

Varsity Basketball Squad—Front Row: Marc Stumpf, Glen Lamb, Terry Moe, Dick Chapel, Alan Lindberg, Jon Mustonen, Dave Supina. Second Row: Craig Gillaspie, Dan Flores, Gor-

don Pixley, Bob Donald, Joe Breck, Jim Maneval . . . Back Row: Manager John Parker, Rued Ehlburg, Trainer Dick Klein, Coach Mel Vogel, Varsity Coach Galen Kintner

Under the watchful eye of the newly erected Trojan head, Terry Moe tries for two more points from the outside.

Richard Chapel (30) is surrounded by Ranger hands as he comes down with a rebound for the Trojans.

Successfully eluding the attempt of a St. Mary's player, Dick Chapel snags the ball for the Trojans.

Junior varsity basketball coach MEL VOGEL led his squad to a 7-11 record for the '62-'63 season in his first year as head coach. Mr. Vogel, who attended Western State College in Colorado, also coached the junior varsity football team and served as assistant coach for the victorious varsity eagles. Also an instructor of world geography he has been teaching at Catalina for five years.

High jumping jayvee Kurt Ijama (40) out leaps his Ranger opponent to snag the ball in the first Rancon-Catalina encounter.

## Jayvee Basketballers End With 7-11 Season Record

Catalina's J.V. basketballers opened their '62-'63 season hoping to better their cellar dwelling mark that they had held as frosh eagles. But fate wasn't with them as they dropped their first five encounters of the season and ended up with a season record of 7-11.

On January 5 the Blue and White JV's broke their losing streak in grand style by surprising a top-rated Phoenix Union squad in handing them a heart-throbbing 51-50 defeat. With the Trojans behind 50-49 Catalina's Steve Steppe was fouled and then quickly followed by sinking two free shots to notch the victory. Promising junior varsity eagles expected to gain varsity births next year are Mark Maklin, the leading scorer for the little Trojans, John Leece and Steve Steppe.

## Height and Spirit Sparks Catalina's Freshmen Cagers

With the advantage of height, the frosh basket ball team had the spirit of a top notch squad. Team members had the services of 6'5" center Randy Butler. Little Dave Schwanke had the distinction of being the only first stringer under six feet, but made up for it in deft ball handling. Rounding out the team was Barry Metler and Andy Scala who helped give the team its unusual height and speed. Team leading scorers were Eric Evett, Mickey Foster, and Chett Johnson who provided the team punch. The team showed its promised mettle near the end of the season after it got off to a poor start.

**RICHARD BARNES**, frosh basketball coach, has taught mathematics in Tucson for eight years, two at Amphi and six at Catalina. He received his bachelor's degree at Wisconsin State College and his master's degree at the University of Arizona where he played basketball and baseball.

As helpless Tucson Badgers look on, CHS frosh basketballers Eric Evett (50) and Mickey Foster (4) come down with the ball.

# BASEBALL

## Six Returning Lettermen

### Head '63 Baseball Squad

With six returning lettermen and a host of talent from the junior varsity, the Trojan diamondmen opened their 1963 baseball season in hope of bettering the cellar-dwelling position that they had held last year.

Heading the returnees list was three-year letterman Don Gabriel, playing in the outfield along with infielders Pete Snell, Steve Owens, Kenny Fox, Les Hileman, and Ric Grenell. Expected to see action this year was first baseman Dave Palmer, promising sophomore third-baseman John Hess and outfield pitcher Jon Holstrom.

The Catalina eleven opened their season with twin wins over Nogales High. In the first game CHS relief pitcher Jon Holstrom relieved Ric Grenell in the top of the fourth inning and allowed only one hit during the rest of the contest as the Trojans went on to defeat the Apaches 6-4. Jon also collected a double in the final inning to supply the winning runs. It was the same story in the second game as the Trojans came from a 4-0 first inning deficit to notch a 7-5 victory. Again it was Holstrom who was credited with the victory. Ric Grenell was the big man with the bats as he led the CHS hitters with a single and a triple in four times at bat. The sunny side eleven handed Catalina its first loss of the season 11-9, as the Blue Devils rallied for 6 runs in the final frame to notch their third win of the season. Even though the Trojans came out on the short end of the score their hitting came alive as both Ric Grenell and Kenny Fox collected three hits.

*See Spring Supplement for Season's Record.*

At all around athlete KENNY FOX is listed in the starting position for the Trojan team as well as pitcher making his debut.

A first string outfielder for the third straight year senior DON CABILL also has become one of Catalina's greatest double playbacks.

Senior center man GENE LILES plays the outfield for the Trojans and is well known for his powerful hitting prowess.

Showing a lot of promise for the future to come sophomore JOHN HESS team starting position on the infield squad.

Senior infielder JES HILTMAN is a good value to the Catalina team and he plays any position on the infield as well as pitching.

## Trojan Baseballers Face Twenty Game Schedule

The Catalina baseballers played a total of twenty games during the regular '63 season with half of the encounters played on the Trojan diamond. Head baseball coach, Clifford Myrick in his seventh year as Catalina's baseball coach expected both Tucson and Rincon to be the teams to beat this year as both squads bolster a heavily experienced squad. The Tro-

jans are in hopes of revenging losses to both the Badgers and the Rangers. Last season the Purple and White took two wins from Catalina as did the Badger eleven. Coach Myrick is in hopes of bettering last year's cedar-dwelling mark of 6-12.

(See Spring Supplement for Season record.)

VARSITY BASEBALL TEAM-*Front Row:* Tom Olds, Steve Ornburg, George Gauding, Steve Osborn, Don Gaudin, Robert Ziss, John Hess, Kerry Knapp. . . *Back Row:* Coach Cliff Myrick.

Pete R. I. Kenney, Fox, Randy Rietrum, Ric Grenell, George Liles, Mike Larnosky, Jon Hastrum, Pete Snell, David Palmer, Ken Kaufman, Paul Masimer.

SCOTT JON HOLSTROM only a second year as a Catalina baseballer was the diamond men's ace relief hurler on the pitching staff.

KEN KAUFMAN is a first year player on the varsity team. He played first base in his first year's junior varsity.

STEVE OWENS a two year letterman for the Trojan played third base in his junior year but switched this year to the second base spot.

DAVE PALMER only a junior found a starting role at first base in his first year as a varsity regular for the Trojan baseballers.

Being the pitchers target almost seems to be the junior PETE SNELL. Pete is CHS's first string catcher in his first year on the varsity.

CLIFF MYRICK varsity baseball coach for 7 years works during the summer for the National Park Service at Kings Canyon National Park in northern California and in Glacier National Park in northern Montana. During his coaching career Mr. Myrick has guided the Trojan diamondmen to a record 68 wins and 44 losses.

Two Trojan diamondmen watch intently Sunnyside Bluedevil baseballer prepares to field the ball.

Trojan Dem Gabriel is ready at the plate as the Sunnyside pitcher prepares to hurl the ball. CHS lost the game 11-9.

# CHS's Junior Varsity Baseballers Face 13-Game Schedule

Missing an intended hunt during the May 1st game with the ball disappear into the mitt of catcher Bill Lynch.

Facing a thirteen game schedule, Trojans opened the season by splitting two games with the Nogales High Jayvees and then dropping Sunnyside. Catalina's junior varsity baseball squad had the potential to become the best JV squad in the history of the school. Under the coaching of Mr. Everett Nicholson, the little Trojans seemed to be the strongest in the infield position as well as having some top hitters to bring in the runs. Top JV hurler Dean Short will be one of the top prospects to make a varsity berth next year. (See season record in Spring Supplement)

EVERETT NICHOLSON, junior varsity baseball coach, has spent seven of his eight years in Tucson teaching at Catalina. When not on the field, Mr. Nicholson teaches history and physical education. He has been coaching the JV team since 1967. He is a member of the Junior Varsity coaches.

JUNIOR VARSITY BASEBALL TEAM Front Row: Raymundo Romero, Paul Smith, Oscar Barros, Bernie Masiner, Bruce Bausano, Bill Milliron Second Row: Richard Cornelius, Mark Makin, Bill Lynch, Brian Terrell, Dean Short, Blaine Gaul, Pres-

ent Jones Back Row: Iden Ford, David Crisdale, Charles Coates, Dong Muey, John Harbour, Arnold Aros, Mike Jones Coach Everett Nicholson

FRESHMAN BASEBALL TEAM

First Row: Jerry Willson, Doug Swartz, . . . Second Row: Dave Holaway, Dave Bingham, Kelly Spencer, Todd Smith, Jeff Moos, Terry Boyer . . . Third Row: Bob Marusa, Barry Mettel, John Plasted, Mike Tiecee, John Smith, Andy Scala, Roy Kyle, Mike Flanagan, Tom Knapp, David Valenzuela, Steve Parker, Robert

Holtzblig, Charles McAllister, Lamar Binkenship, Byron Williams, William Buntin, Keith Holmick, John Craft, Kenny McCormick, Grant Cole, Dan Burrows, Frank Heiden, Tim Gorman, Mike Clarke, Jim Vance, Bucky Wright, Gary Wakefield, Ronald Voss, John Peirce, Bob Mann, Dave Hubert, James Easton

## Team Competition Tough for Frosh Baseballers

Freshman diamondman Roy Kyle (24) . . . the bat of Dan Burrows (45) halted with a single

With improved pitching and a better balanced team, this year's frosh baseball team was a top contender for city honors. Strongest opposition expected by Coach Geary were the powerful Tucson and Rincon teams. Tough competition for team positions characterized this year's squad.

Heading off this year's season Coach Geary's frosh diamondmen beat Fort Grant and Sunnyside to get off to a fine beginning.

(See season record in Spring Supplement.)

JACK GEARY, freshman baseball coach, is a graduate of . . .

ing and camping

# TRACK

## CHS Expected to Press

### Rincon for City Honors

With fifteen returning lettermen and depth in every event the Trojan tracksters opened their 1963 season by downing Sunnyside 73-45 and became the top contender to press pre-season favorite, Rincon for city and state honors. In the victory over the Blue Devil thincclads, junior Reid Ehlenburg paced the Blue and White by collecting a first in the broad jump, with a 20 foot, 19 $\frac{1}{2}$  inch jump, while holding down third places in the 100-yard and 200-yard dashes. Senior Kelly Hanson covered the 440-yard dash in 54.2 to cop a blue ribbon while Ralph Smith cleared the 11-6 mark in the pole vault to snare top honors

Catalina's track coach, Calen Bell, expected his squad to be especially tough in the weight events, broad jump, hurdles, 440-yard dash and mile run. Last year's school decathlon winner, Reid Ehlenburg, was expected to give other city high schools trouble in the broad jump and hurdle events, as was Kelly Hanson in the quarter mile. The weight events were led by seniors Frank Knoop and Tim Burr along with juniors Craig Gillaspie and Robert Bergen. The quintet of George Cunningham, Bruce Duffy, Carl Bowlby, and Steve Godzak were expected to be tough in the mile run

The CHS tracksters played a total of thirteen meets during the regular season and were also the host of the city relays. Six other city high schools were scheduled to participate in the annual relays. Catalina was also to be host of the AA-4 division qualifying meet. The Trojans finished the year by competing in the state AA track meet at the University of Arizona

*(See spring supplement for season's record )*

Senior BRUCE DUFFY is one of the five top milers for the Trojan trackster. Bruce also participates on Coach Galt Bell's cross country squad.

Senior KELLY HANSON, who is Catalina student body president, is the Trojans top 440-yard man in his second year on the city trackster.

Senior FRANK KNOTT is one of Catalina's top milers for the CHS. Frank was also a member of the city trackster.

Two-year letterman RALPH SMITH was the top miler for the Blue and White trackster. Ralph has also been known to run the hurdle.

Senior CHARLIE WATT ran both the low and high hurdles for the Trojan trackster this year. Charlie was also a member of the cross country squad.

Native Tucsonian GALT BELL has coached the CHS trackster for 6 seasons. Mr. Bell is an Executive Scout Council member and a Boy Scout Counselor. He has coached the summer trackster for two years and has a Scoutmaster's rank. A graduate of the University of Arizona, he is a biology teacher.

440 specialist Kelly Hanson takes the baton from teammate Larry Vinyard for the finishing leg of the mile relay.

CHS pole vaulter Ralph Smith shows his championship grace form as he clears the bar with his own smooth style.

**JUNIOR VARSITY TRACK SQUAD** Front Row: Dave Barrett, Russ Hester, Bill Uffey, Greg Bunch, Mike Johnson, Vance Smith, Ricky Miller, Greg Bowdy. Second Row: Bob Baker, Kirk Norton, Jim Beach, Fred Hester, Mark C. Johnson, Alan Bentley, Steve Bouchard, Marty Mink, Jim Nager. Third Row: Harry Yates, Mike Fryer, Chad Johnson, Chris Tappan, Ronnie Nowell, Paul Kay, Andy Romero, Robert Smith.

Fourth Row: John Szemere, Richard Binnet, Monroe Vang, Michael H. Davis, Don Clark, Kurt Jones, Ed Edwards. Fifth Row: Tim McManis, Harry Johnson, Mike Wooten, Mike Tate, Tom Barnes, Jeff Phillips, Jesse McKenzie, Bruce Lusk. Back Row: Doug Owens, Chuck Russell, Ed Barnes, Ken Meadows, Mel Casan, Pat Kuehn, Bob Stacey.

## Jayvee Cindermen Looked Toward Successful Season

Possessing great potential, the jayvee team for 1963 looked forward toward a rather successful season. Inexperience shows up as the cindermen's greatest drawback. Middle distances, pole vault, and hurdles are the JV Trojans strongest event. The JV track team consisting of fifty students, practiced hard from 2:30 until five o'clock. Coach Bill Kiser expected the Tucson, Palo Verde, and Rincon meets to be the hardest to win.

**BILL KISER**, junior varsity track coach, also instructs all freshmen, junior varsity and varsity weight men in throwing the shot and discus. In the fall he serves as assistant line coach for the varsity football team. When he is not instructing athletes Mr. Kiser teaches physical education and health.

Discus man Vince San Angelo lets go with a practice toss during one of the junior varsity intersquad meets.

# Potential Packed Frosh Expected a Good Season

Freshman broad jumper Ray Lee sails through the air in a regular practice session trying to better his mark

Possessing a large amount of potential, the frosh Trojan cindermen faced the upcoming '63 track season. Overcoming their main handicap of inexperience, the freshmen expected a much better season this year. The shot put and discus proved to be their strongest events, while the middle distances and high jump were the weaker ones. Tucson High and Rincon, sporting excellent track teams, presented the greatest competition for the CHS frosh

(See Spring Supplement for season's record.)

LEE MORTON, frosh track coach, is a drivers education and drivers training instructor. Taking an active interest in extra-curricular activities he serves as co-adviser for the Lettermen's Club. He is in charge of teaching the freshmen, except weightmen, the basic skills needed to become a good cinderman for the future varsity and J.V. teams of Catalina.

FROSH TRACK SQUAD: Front Row: Bill Friederich, James Mansmer, Patrick Glass, Ronnie Detsch, Chester Johnson, Mike Foster, Lester Clement. Second Row: Keith Carney, Jack Cline, Steve Prater, Gary Duffy, Ronnie Phillips, Steve Noles, Alan Smith. Third Row: John Mider, Ron Flores, Les Finn

Ray, Drew Scher, Lawrence Livingston, Ronnie Wickhorst, Curtis Hodel. Fourth Row: Harvey Kinner, Howard Lind, Joe Muck, Ed Miller, Ronnie Jim Anderson, Joe Banta, Alvin. Back Row: Don Meyer, James Duppel, Terry Gaudin, Steve Mathew, Robert Evans, Paul Barry, Dennis Riv

CROSS COUNTRY—*Front Row:* Steve Nilsen, Bill Schault, Greg Bowlby, Gary Bisig, Todd Smith, Rich Pearson, Terry Charboneau, Rennie Wickhorst . . . *Second Row:* Sherman Weadock, Bruce Duffy, George Cunningham, Van Lawler, Carl Bowlby, Mel Coon

. . . Winston Warfield . . . *Third Row:* Ken Helmick, Darrell Kelley, Jim Brand, Jerry Jones, Joel Mur Harvey Karchner . . . *Back Row:* Mitt Ivants, George Clark, Rick Van Suckle, Alan Stutts

## Troy's Distance Men Place Fifth in State Meet

Catalina's most outstanding harrier for the '62 season, Van Lawler, is shown working out on the cinder track.

Van Lawler, the best Trojan runner, led the 1962 cross country team to a 2-3 dual meet record. The victories were over Palo Verde and Amphi high schools. Rincon, Tucson, and Pueblo high schools defeated the Trojans.

On October 8, the Trojans placed seventh out of twenty-two teams. At the Turkey Day Meet, on November 21, the harriers came on fourth. Catalina's "Little Boys Blue" rounded-out a good season by finishing fifth in the state meet. Since the school's origin in 1917 there has never been a Trojan cross-country team to end a season lower than fifth in the state.

This year was one of continual improvement for the inexperienced Troy Boys. They did very well with only two returning lettermen, George Cunningham and Carl Bowlby, from last year's team which was fourth in the state.

Next year's Blue and White squad will be strengthened by returning lettermen, Van Lawler and Bill Shardt, juniors, and sophomores Steve Godzak, Mel Coons, and Greg Bowlby. Todd Smith, a freshman, also received a varsity letter. Coach Gale Bell expects to have a stronger, much improved team next year.

# SCOREBOARD

	Catalina	Opponent
Sept 28	10	Pueblo 20
Oct 5	49	Pueblo 25, Salpointe 46

COACH BEVE, coach of the CHS cross country team, has led school's high in 1957 has guided them to an overall meet record of 26-14.

VAN LAWLER, CHS coach, has led school's high in 1957 has guided them to an overall meet record of 26-14.

Practice for country meet on the CHS track at Randolph Park. Bruce Duffy and Carl Bowly.

Harrers from Palo Verde, Rincon, Tucson and Catalina High Schools jockey over the start of the two mile race which was

held at Randolph Park. Rincon and Tucson finished first and second respectively followed by Catalina and Palo Verde.

# Trojan Matmen Take 2nd in Carl Hayden Tourney

Heavy weight wrestler Alan Pierce crushes his adversary with a hard to break cradle hold in an attempted pin.

With only two returning regulars, Don Hall and Dave Klensin, Catalina varsity grapplers ended their 62-'63 season with an even record, winning 5 and losing 5. Opening the season with a victory over Kofa they dropped the next two meets to Yuma and Mesa. In the annual Carl Hayden tournament, which was held during Christmas vacation, the Trojans took second place. After losing a close match to Tucson, they downed their next four opponents, Rincon, Pueblo Central, and Salpointe in succession. Their schedule ended with losses to Yuma and West Phoenix.

Catalina's junior varsity overcame Rincon, Palo Verde, Yuma, Sunnyside and Salpointe, their best victories coming late in the season. Hardest falls were dealt by Mesa and Tucson.

## Varsity Scoreboard

Catalina's wrestling coaches, Jack Nelsonson and John Custer, discuss their team's problems and tactics.

Sophomore matman Rickon Burns twists and turns with all his speed and agility in an attempt to reverse his opponent.

# Frosh Matmen Improve as '62-'63 Season Progresses

Freshman wrestling started out slowly at first and then as the season heated its close they came on strong to down Benson, Ampfthunder, and Salpente. The team's main function is to provide future varsity wrestling material. Varsity wrestling coach Jack Segurson explained that the frosh are taught the basic tactics that will eventually develop them into top wrestlers.

Freshman coach, John Grist, started out the season with over fifty boys, most of whom came from freshman football. Though badly beaten in their first three matches, they came back to defeat Benson with Rick Cline, Moe Rowland, and Mike Blumer sweeping the lower weight classes. Still fresh from the Benson meet, the frosh matmen took Ampfthunder, copping seven pins. Jack Segurson, Varsity coach states that all are top varsity and junior varsity prospects.

## SCOREBOARD

	Catalina	Opponent
Dec 15	10	Pueblo 50
Jan 5	3	Ureva 44
Jan 12	12	Pueblo 6
Jan 18	37	Benson 15
Jan 19	43	Ampfthunder 11
Jan 26	28	Ed. Verne 31
Feb 2	32	Salpente 23

JHS Coach Jack Grist watches Trojan Steve Matman take down a regular meet.

FRESHMAN WRESTLING TEAM—Front Row: Andy Nelson, Ed Hirshouer, Gordon McKim, Noel Jorgensen, Mark Kuhnert, Bob Sterling, Jim Hendry, Randy Jacobson, Moe Lywhite. Second Row: Bill Smith, Pat Durazzo, Joe Blakersting, Mike Truesd,

Tom McGee, Frank Hudson, Ricky Cline, John Eldred, Billy Fort. Back Row: Steve Matman, Larry Ford, Joe Mikkelsen, Les Prentiss, Jim Masamer, John Miller, Rick Wright, Ron Dotseth.

# Letterman Mike Cartwright, Joe Breck Head Golf Squad

James Black's varsity golf team went into action with returning lettermen Mike Cartwright and late-comer Joe Breck. Filling out the team positions are freshman star Steve Keller and returning sophomore Steve Steppe.

The 21ers man Top rested on Mike Cartwright who sports a respectable 77 average for the season. Second in line is cage star Joe Breck who came out

a month late.

This year's team had the disadvantage of having to share the Municipal Golf Course at Randolph Park with rivals Rincon and Palo Verde. Coach James Black predicts a stronger team for next year with a higher percentage of returnees and better frosh help.

(See Spring Supplement for season's record.)

GOLF TEAM: Front Row: Mike Cartwright, Steve Keller, Dick Smith, Bob Wintrod, Jim Chalden . . . Back Row: Steve Steppe,

James Wintrod, Mike Davis, John Leece, Joe Breck, Coach James Black

## Catalina's Student Body Stars in Intramural Program

This year Catalina successfully initiated an intramural sports program under the guidance of Richard Schmieder, world geography teacher at Catalina. The activities started at 9 in the morning and ended at noon on Saturdays. Ten of the events were: flag football, basketball, softball, wrestling, weightlifting, swimming, tennis, volleyball, ping pong, and bowling.

Any member of the student body could have taken part in the intramural program except boys who had received varsity letters in that particular sport. As Mr. Schmieder stated, "The response of the student body as they heard of the intramurals was very encouraging, and we hope for even more participation next year."

Seniors won the trophy for class relays and the frosh won the tug of war. Intramural events are going to be held annually with a traveling trophy presented to the class with the most points at the end of the program. At the bowling tournament in January fourteen different trophies were awarded. Some were given just for fun such as the one for the lowest score or best form.

Catalina's intramural director, Richard Schmieder looks on as the freshmen and juniors battle for victory in the tug of war.

GYMNASTICS TEAM—Jeff Bennon, Bob Shirk, Gene Voorhees, John Voss, Barry Headricks, Steffan Monk.

## Gymnasts Prepared for Another Winning Season

Senior gymnast John Voss, does a dismount shoot in the Catalina High School gym during after school practice.

Working nearly four hours a day gymnasts hope to uphold their title as last year's state champions. Catalina's gymnasts have two returning lettermen, John Voss and Steffan Monk. As compared to only three men on the varsity team last year, there are five for the 1963 season — John Voss, Steffan Monk, Jeff Bennon, Bob Shirk, and Gene Voorhees. Coach Rittenhouse states that the Trojan Gymnasts have good depth this year and plenty of experience.

The Blue and White team is the only one this year, as well as last, that will compete olympic style. Olympic style gymnastics consists of having every man on the team compete in all of the eight events. This type of performing causes the men on the team to be weak in the still rings as they don't work out on the rings long enough to strengthen their arms. The rope climb, an event in the past, was omitted in '63. Catalina's senior men have worked many new movements into their routines.

The meet with Phoenix Union, Catalina's only loss out of seven victories in 1962, will probably be Catalina's toughest opponent in '63. Coach Rittenhouse claims another state championship is within sight.

*See Spring Supplement for season's record.*

Caught in the middle of a scissors on one of the most difficult pieces of equipment is Stephen Monk.

Demonstrating a hand stand on the still rings is Stephen Monk as he concentrates on excellent form and balance.

**PRESTON RITTENHOUSE** gymnastics coach was born in Akron, Ohio. While attending the U. of A. he was the Border Conference diving champion and state trampolene champion. He also participated in gymnastics, swimming, and baseball. For the past six years at Catalina, Coach Rittenhouse has maintained an outstanding record.

Keeping his mind on form and coordination is Gene Voorhees as he does a double forward somersault on the trampoline.

Practicing for long hours every day has helped Jeff Ben now perfect a cut and catch on the parallel bars.

**TENNIS Front Row:** Mike Cullen, Jerry Beaman, Alex Saurer, Jerry Cullen, John Stevenson, Standing Row: John Miller, Jeff Keith, Jerry Allen, Art Vetter, David Newcomb, Don Hopper, Back Row: Robb Salant, John Carson, Eric Evett, Mike Peters, John

Stevenson, David Newcomb, Coach Keith Meenan, Back Row: Don Hopper, Art Vetter, Bob Leach, John Newcomb, David Hopper, Alex Allen, Jeff Scott, Warren Phillips

## Loss of Lettermen Put Netmen at Disadvantage

Showing his championship form, sophomore star Robb Salant practices his service for an upcoming match with Amphitheater.

The loss of three lettermen through graduation and moving weakened this year's varsity tennis team. However, with the addition of freshman Eric Evett and a senior transfer from Trenton High School in Michigan, Mike Peters, this year's team hoped to come up to the standards of last year's 22-1 team record or exceed it.

Back again for his second year, state singles champion Robb Salant was again to be the netmen's main hope for state honors. Also returning were lettermen David Newcomb and John Stevenson. With three returning lettermen for a core and strong team addition, coach Keith Meenan predicted a powerful team again this year.

Tucson High and Rincon again this year will be the rough spots in the schedule. Tucson will be out in force to revenge last year's loss that broke their 55 match winning streak. Rincon, with four returning lettermen, had the experience that the CHS netmen lacked.

With excellent freshmen additions and fast improving sophomore and junior returnees, the netmen had the depth that is important to any top squad. An undefeated junior varsity also acted as a backup for the varsity.

*See Spring Supplement for season's record.*

Returning for his fourth year, Carlson is a strong player and leader on the team.

CHS netters are blessed with another freshman star this year, in the form of ERIC EVETT, winner of the Tucson City Tennis Championship.

DAVID NEWCOMB, whose height and speed combined to make him a strong asset to the team, battled his way up to the number two spot this year.

ROBB SALANT, a strong player and leader on the team, is the number one player on the varsity.

Captain of the racketmen's team, John Stevenson, follows through on a serve during a recent match.

With a brilliant mind and excellent reflexes, senior racketman JOHN STEVENSON is a strong opponent in singles and stars in doubles competition.

Coach KEITH MEENAN, University of Arizona graduate, draws on his six years of coaching experience by again producing a strong team.

State singles champion, Robb Salant, and his partner, David Newcomb, the number two man on the varsity team.

Robb Salant and David Newcomb, the number two man on the varsity team.

# Tankmen Spurred by Tucson Transfer, Jim Davis

Urged on by transfer Jim Davis the Catalina swimming team saw a bright season ahead of them. Larry Resnick led in the fifty yard sprints, followed by Jeff Schantz, captain of the team, who excelled in the one-hundred yard sprint. Danny Chandler led the back stroke boys, as Ham Catlin showed his superior

ty in the butterfly and the 200 yard individual medley. Jim Davis led the Trojans' strongest event, one-meter diving of which he was state champ his freshman year. Coach Jack Segurson expected the Brophy and Palo Verde meets to be the hardest to win. See Spring Supplement for season's record.

SWIMMING coach JACK SEGURSON, a P.E. and health teacher, guided the Trojan varsity tankmen to second place in the state in 1961 and 1962.

Taking a breath during a sprint across the pool, Ham Catlin, executes a butterfly stroke. Ham, a junior, has been on the swimming team since he was a freshman.

**VARSITY SWIMMING TEAM**—Front Row: Curtis Crow, George Daglio, Ronnie Campbell, Jeff Schantz, Tom Goodman, Rocky Wright, Stanley Oaks, Eric Shockley . . . Second Row: Noel Forgeron, Richard Smith, Paul Roof, Louis Hock, Larry Resnick,

Joel Rubiner, Paul Stevens, Lyon Strong, Harry Roof . . . Back Row: Steve Oaks, Louis Lust, Danny Chandler, Jim Davis, Dick Ferdon, Geoffrey Cross, Tom Miller, Rick Eldred, Louis Pawlik, Ham Catlin.

## Girls' Sports Are Respites, Have Funny Sidelights

An hour's respite from classroom monotony is found by underclassmen, and some senior girls taking advanced sports or pep leadership, in physical education classes. Funny P.E. sidelights will be remembered the longest: lost golf balls that eventually get caught in the school lawnmowers; stringy hair-dos after swimming at the Lighthouse Y; stray dogs on the speed-a-way field.

the red softball bat in the storage room; bruised shins after an afternoon of hockey; badminton birdies caught in the basketball hoops in the girls' gym; stockinged feet padding around the floor in social dance class; balloons for targets in archery class; pom-poms that take the songleaders weeks to make and that go limp just as fast.

## Recreation, Rhythms, Team Sports Part of P.E.

"There goes another fingernail!" exclaim the players on this basketball team as their forward jumps for the ball

Like a fish out of water, Anne Arveson is bottoms up in a dive over the Lighthouse Y pool during her swimming class

A variety of sports are offered girls based on their interests in physical education, abilities and needs

Golf, tennis, archery, badminton, ping pong, deck tennis, and track and field are offered as individual sports and stressed during each girl's fifth semester. Individual activities include camping, body mechanics, gymnastics, swimming and weight control with exercise.

Rhythmical activities offered are modern dance, round and square dance, basic rhythms and social dance.

Team sports include basketball, field hockey, speed-a-way, softball and volleyball.

Five semesters of physical education and one semester of health are required for graduation.

Advanced sports are offered for senior girls who want to continue in P.E. Also, about 20 girls in pep-leadership are a part of the P.E. program.

Tucson's sunny skies provide many days of outdoor activity for most girls' P.E. sports such as volleyball shown here

Fitcher and first baseman and third baseman are expecting a hard hit and stand by to put out the batter as soon as she heads for first base. Softball is only one of many favorite out

door activities of the Catalina High School sports in view of the Catalina Mountains.

While Barbara Culin and Pat Carpenter spot her, Sara Jean Kimberlin demonstrates a handstand on the uneven parallel bars.

Modern dancers Kathy Hanson, Penny Spicer and Wylene Hughes practices ballet motions in choreographing a dance.

Folk dancers in the form of freshmen social dancers skip around the girls gym dance room for three weeks each year.

One of CHS's experimental Health classes is led in discussion by Joan Engbreter and Jan Hernandez.

# GAA Supplemented PE Athletics and Recreation

Working in close conjunction with the physical education department in the promotion of athletics and recreation is the work of the Girl's Athletic Association. True sportsmanship and good fellowship were mottoes.

Volleyball, basketball, tennis, speed-a-way, badminton, softball and archery are some of the activities offered after school and Saturday mornings.

Any girl who is interested in sports and is willing to take part in the activities of the club is eligible for membership in GAA.

Vade Phillips, president

Pia De Leon, vice-president

Rising on her toes to return a serve, a GAA badminton player slams the birdie over the net to her two opponents.

Dieder Pevatt,  
secretary-treasurer

Miss Mary Hines, adviser

G. A. A. Front Row: Dieder Pevatt, Marge Logan, Nancy Oser, Cherie Bruce, Raye Maskey, Leslie Bratcher. Second Row: Madeline Mack, Marilyn Wright, Carol Hartley, Bonnie Schroeder,

Barbara Mcintosh, Margaret Miller, Linda Krueger, Fatsy Oesterie, Pia De Leon, Vade Phillips, Gae Bead.

Back Row:

# GAA President Vade Phillips Is Girl of the Year

Catalina's Girls' Athletic Association's President Vade Phillips is this year's Girl of the Year

Girls' volleyball, softball and basketball teams have developed the sparkling brunette's skills for four years

This year she threw the shot put at girls' track meets and made the Archery Club tournament team

Vade has had an extensive background for sports by being in the advanced sports class for the last two years

Lively Vade was thrilled with Ski Club activities

She also found time to be a Junior Red Cross Representative her freshmen year, be on the Red Cross Council for two years and serve as the council's vice-president this year

GAA archery is a pastime for Vade Phillips and other girls who line up for Saturday morning practices.

Leslie Bacheller, chosen Posture Queen last spring, was nominated by her gym class and judged by a panel of P.E. teachers

Vade Phillips, Girls' Athletic Association's Girl of the Year, takes aim at a target's bull's eye from the 30 yard line

"Fifteen, thirty!" shouts Trudy Hummel as she skillfully serves the ball to her waiting opponents Patti Foster and Barbara Rosen

berg in a practice tennis match. During the seventh period class girls exercise the skills taught to them

## Girls Earn Letters Only in Tennis Participation

Varsity tennis is the only sport in which a Catalina girl can earn a varsity letter

In order to be eligible for membership on the team, a girl must have desire to play, a competitive spirit and be skillful.

During a seventh period class, the girls were coached on the technicalities of tennis, shown different types of strategy, and engaged in practice matches

They received grades based on attitude and ability

A ladder was used as the basis of intra-team competition. Each girl was able to challenge one or two

positions above her, but once she lost she accepted a challenge from below. If she lost this match, she dropped one position on the ladder

This year's varsity tennis team began its season with matches at Amphih High School on February 5, and ended with matches at Miami, Arizona, on April 20

The State Meet followed at the University of Arizona on April 26th and 27th

Under the leadership of Miss Joyce Sprinkle, the team had the help of six experienced players this year.

Patti Foster, Peggy Wilson, Linda Bowley, Sharon Murphy, Barbara Rosenthal, Linda Moore

# Cheerleaders, Songleaders Are Constructionists

Performing to the "Dance of the Wooden Soldier," are the CHS pompon girls during half-time at a basketball game

While the main job of the cheerleaders and pompon girls is to lead the student body in cheers and the school songs, painting, decorating and making props occupy many hours

Cheerleaders painted the signs placed around school during football and basketball season and decorated the buses for the out-of-town game. This year they also organized and cheered at the new drive-in pep assemblies

The songleaders spend many hours in constructing their blue and white pom-poms

Several practices for these squads are held during February and March, when original dances and cheers as well as the basic fundamentals of jumping, kicking and choreographing are taught to the girls who are trying out

GY

## All Student Species Are Seen at CHS

As we pass through the halls of Catalina to classes, club meetings, and social events, our eyes fall upon our fellow students. Of all the sights we see in high school, we will remember the people longest.

We meet all kinds of students and we find that "people-watching" can be as much fun as bird-watching. Most of us have seen these species:

Sneaky-eyed test cheater,  
Speckled straw paper blower,  
Cloth-carrying apple polisher,  
Hot rod hawk,  
Droopy-eyed test crammer,  
Red crested hair comber,  
A Cappella warbler,  
Blue feathered party pooper,  
Sports car sparrow,  
Ring-carrying class cutter  
Pencil sharpening woodpecker,  
Varsity roadrunner,  
Flirt-eyed boy chaser,  
Book cracking owl,  
Cheer-leading bluejay,  
Club joining busy bird,  
Pomp and Circumstance mortar-bird.

# Seniors Terminate CHS Career with Busy Year

Senior year is a busy one filled with many important events.

The Monster Mash, sponsored by seniors, was made realistic by the presence of live monsters.

Senior Day at the University of Arizona, held on November 3, was climaxed as CHS Senior Day Princess Allyn Hansen was chosen one of the top five beauties in the state.

Only a few weeks later, Seniors spent a night and day transforming the cafeteria into an "Island in the Sky" for the November 17 prom. They danced until midnight, saw a movie downtown, and managed to

stay awake for a party and breakfast at the Santa Rita Hotel.

A new innovation took place this year when all seniors had homeroom together in the cafeteria. The daily 15 minute period featured special senior announcements and skits.

The Class of '63 first sponsored a "Mardi Gras" dance. Their sophomore dance "Taboo" was held on Friday the thirteenth, and attended by the whole student body.

Their Junior Prom was a fantasy of tulips and Dutch windmills in "Land De Zee."

Senior Class president, GEORGE CUNNINGHAM, officially supervised all senior sponsored classes and advisory board meetings. George also planned the daily 15 minute homeroom period for seniors. He is to become a lawyer and plans to enter the University of Arizona.

George's best competitor this year, Senior Class vice president JOHN VOSS. His many activities include orchestra, National Honor Society, and the variety gymnasiums team. John has hopes of becoming a civil engineer and he will probably attend the University of Arizona.

Known around school for her vivacious personality, BARBARA CULLEN served as secretary of the Senior Class this year. Barbara is interested in "all kinds of sports," and also has an interest in politics. She plans to enroll at the University of Arizona and major in political science.

SENIOR ADVISORY BOARD      Front Row: Robert Cole, Richard Norcross, George Gorman, Cliff Gorman, Gerald McKim, Bill Johnson, Della Hill, Margaret Johnson,      Standing Row: Casper Clark, Betty Norcross, Earl Spencer, Catherine K. Olin, Allie Hill, Bruce Hill, Nancy Cooke, Lynn Arnold, Jack Hill, Cliff Gorman, George Gorman,      Back Row: Herb Hill, Walter Potter, Walter Wells, Bill Norcross, George Christensen.

Amidst an array of scattered books and papers, seniors gather in the cafeteria for senior home room to hear announcements and debate issues.

Senior Days fraternity assembly and dance may turn out to be fun later, but the numerous registration cards are a little too fast for

Trojans Mike C. Dot and Craig Wilchm during the Saturday morning preliminaries at the University of Arizona.

# Juniors Have Original Election, Activity Ideas

*Left to right: Carol Hartley, Linda Hester, Tom Starninger, Tom Wainwright, Bob Breazal, Carol Hartley, Linda Hester, Tom Starninger, Tom Wainwright, Bob Breazal.*

A tradition of having class presidents at Catawba was broken this year as Carol Hartley was elected senior class president.

Doing new things has been a trait of the class of '64.

This year Mr. Cline's program, says, "The class of '64 is not afraid of change or something different."

This year's juniors first put their original ideas into effect in their first assembly when they had a "Getting to Know You Party" with dancing skits by seniors and entertainment in the form of a wrestling and gymnastic exhibition.

Both of their movies, "April in Paris" in 1961 and "Beverly Hills Cop" in 1962 proved to be profitable ventures.

This year the class had a January bake sale. Committees that were set up to set up centers around the school were each headed by each advisory board member. The person of the team that raised the most money received a free ticket to the Junior Prom in April.

Believing that people want to have fun and not be surrounded by a dreamy atmosphere at a prom, juniors planned carnival decorations complete with a merry-go-round, striped awnings and a circus-type ticket booth.

**JUNIOR ADVISORY BOARD** — Front Row: Linda Hester, Tom Starninger, Tom Wainwright, Bob Breazal, Carol Hartley, Linda Hester, Tom Starninger, Tom Wainwright, Bob Breazal.

**Back Row:** Tom Wainwright, Bob Breazal, Carol Hartley, Linda Hester, Tom Starninger, Tom Wainwright, Bob Breazal.

"At first there was opposition to my plans, but everyone ~~was~~ <sup>came</sup> to work together with no hard feelings," says CAROL HARTLEY, the first girl to be elected president of her class at CHS. Carol plans to major in psychology in college.

Junior class vice-president LIZ HANSON hails from Sweden and still speaks Swedish in her ~~home~~ <sup>class</sup>. As ~~vice~~ <sup>she</sup> presides in the ~~class~~ <sup>club</sup> she is president and is head of all ~~other~~ <sup>of</sup> committees. Liz plans to be a lawyer after studies at the U. of A.

SUE NEUBAUER completes the all girl slate of junior officers. As secretary-treasurer she takes minutes of all advisory board meeting and keeps track of class funds. She plans to attend college to be either a secretary or a teacher.

Charles Ingram, sponsor

Rincon's songleaders were portrayed by the Junior Class's loveliest boys. The demonstration took place at the Junior sponsored pep assembly held

before the game with traditional Rincon High School

President NANCY OLEN's Sophomore Class duties include attending meetings with Dean Brown and Mr. Gridley, and presiding as head of the advisory board. To excel in sports and drama are Nancy's high goals and ambitions. Later she hopes to become a teacher.

Latin, chemistry and physics will be in store for CAROL COOKE, Sophomore vice-president, enabling her to prepare for a career in pharmacy. Corresponding with two pen pals in New Zealand has interested Carol in applying for American Field Service.

A rapid writing of minutes keeps JUDY JARVIS, Sophomore Class secretary, busy at advisory and executive board meetings. Because of an interest in science and math she plans to enter the field of medicine. In her spare time, Judy sews.

Fundamentals of a model engine are explained by Jerry Cornell and Linda Bowlby by Pat Cleary and Jack Brunton in drivers' education class.

Sophomore Jackie Houricht is mortified at dropping her books, a typical freshman feat.

SOUTHMONT CLASS ADVISORY BOARD      *Front Row:* Nancy Oien, Carol Cooke, Judy Jarvis . . . *Second Row:* Viann Butera, Leece, Alan Bonney, Fred Heinrichs

## Sophs Earn Funds Despite Limit on Activities

Combining efforts, the spirited sophomores made 1963 a successful year although limited to only two school activities.

Following the Catalina-Phoenix Union football game, the sophomores sponsored the September "Starlight Mixer." Adorning the ceiling of the cafeteria was a gleaming silver star.

Additional funds were raised by the Class of '65 at a bake sale in the middle of December.

Preceding the seventh basketball game of the season, the sophomores sponsored a pep assembly. Amidst the cheers of the varsity pepleaders a humorous skit was enacted in the gym. A permanent, seven foot, wooden Trojan lead for the wall of the gym was a secret class project revealed at the assembly.

Nancy Oien, elected vice-president last year, succeeded Larry Fshinger to the presidential position when he moved to Colorado in the summer. The vice-presidency was then turned over to Carol Cooke, who was election runner-up in that office.

FRESHMAN ADVISORY BOARD: Top Row — Ed Kuhn, Mr. Edward Kuhn; Middle Row — Barbara Jeffries, Marianne Mustonen, Lucy Rhu, . . . Sara; Bottom Row — Larry McBride, Row Kyle, Kelly Spencer

## Frosh Pay Pennies for Free Class Activities

Can you imagine prom night and being admitted to the gala event by showing only your 1 D card? This could become reality with the new "Painless Way Plan" devised by the Class of '66. With this plan, each class member will give a penny a week to the class treasury during their freshman year, two cents a week during their sophomore year, and finally 5 cents a week during their junior and senior years. If everyone pays on the established honor system, every function of the Class of '66 will be free to class members.

The frosh were entertained on Friday, September 7, when the sophomore class sponsored a free "Frosh Frolic" for them. Cheerleaders and officers were introduced at the evening affair, followed by dancing in the cafeteria.

Class activities were slow in getting started because of elections held last fall to elect Keith Lewallen president; Joan Warfield, vice-president; and Marianne Mustonen, secretary-treasurer. Mr. Edward Kuhn is adviser to the class of '66.

*In front of the main hall bulletin board, freshman Morgan Rowland looks up to senior Don Gabriel and wistfully dreams of the day when he will be an upperclassman.*

Edward Kohn, speaker

Donna Martin anticipate competing in a volleyball match or ping pong tournament

Looking forward to an eventful four years at Catalina with participation in sports and student government is Fresh president, KEITH LEWALLEN. A career of engineering beckons Keith and he plans to work his way through college by playing the guitar professionally.

The foreign languages field interests freshman vice-president, JOAN WARFIELD. She plans to major in this subject and use her knowledge in work involving travel or government. During advisory board meetings, Joan helps the president and is a stand-by in case of his absence.

Taking minutes keeps frosh secretary-treasurer MARIANNE RUSTON busy during advisory board meetings. Her interests in basketball, swimming and modern dance occupy much of her free time. Marianne plans to eventually become a doctor.

Now, after some 2400 students have been fed, the story changes. It is no longer a cafeteria down at a restaurant, as the fact is

covered with rubbish from the three lunch periods. The next period study hall has to live in this mess, too.

## The 1963 Torch Staff Gratefully Acknowledges

the many people who have assisted in its publication. We extend a sincere thank you to:

## Finale . . .

Through the images that have become memories you have now seen the school year recreated in the '83 TORCH. It was a year that was richly filled with sports events, social activities and daily school life. We have attempted to record it here as best and as faithfully as we were able to do.

The TORCH is a product that could not have been completed without the help of the patient administrators, the understanding faculty, the loyal student body, and our hard-working staff. We would like to extend a sincere thank you to all of the many people that have been more than generous with their time and money to help us.

You have witnessed the school year through our eyes. The pictures and information we have assembled will remind you again and again of it in the years to come. It is your memory book to enjoy whenever you wish. We are proud of our accomplishment. We hope you are too!

Sincerely,

A handwritten signature in cursive script, reading "Jan Getty".

Editor-in-chief

A handwritten signature in cursive script, reading "Janice Davison".

Associate editor
